## Changes You Should Know

CDPHP takes its role in providing health care coverage for your employees and clients seriously. These changes take effect at the time of benefits renewal in 2024. Refer to plan documents for complete details.

### LARGE GROUPS, SMALL GROUP, INDIVIDUALS

**Prescription drug network** CDPHP is enhancing our pharmacy network to promote greater affordability while still offering members choice of pharmacy location. The 2024 prescription drug benefit will include preferred pharmacies which have partnered with CDPHP to offer lower dispensing fees and drug costs, as well as participation in the Rx for Less Program (which offers dozens of medications for as low as a penny a pill) and other programs designed to control skyrocketing pharmacy trends. Members who fill prescriptions at non-preferred pharmacies will be subject to a 50 percent coinsurance. Does not apply to Standard plans.

**Mail Order Pharmacy** Optum Home Delivery Pharmacy has been added to the CDPHP network for pharmacy mail order services. Members will have access to Optum's easy online experience to manage prescriptions, free shipping, 24/7 pharmacist support, and an automated refill process. Walmart Mail Order will no longer be a participating mail order pharmacy but remains in network as a preferred retail pharmacy.

**\$0 Tier 1 medications for members under age 19** There will be no member cost-share for Tier 1 drugs in the preferred network for members under age 19. Deductible applies to HSA-qualified plans. Does not apply to Standard plans.

**Parent and infant class reimbursement** Parent and infant classes (e.g., yoga, swim lessons) are now eligible for reimbursement under the fitness reimbursement benefit.

**Minimum allowable deductible (regulatory update)** The Internal Revenue Service (IRS) has determined that the deductible for HSA-qualified high deductible plans can be no less than \$1,600 (individual) and \$3,200 (family) for 2024. For plans with a deductible at the minimum level in 2023, the deductible will increase to these amounts for 2024.

**Out-of-pocket maximum (regulatory update)** The IRS has determined that the out-of-pocket maximum for HSA-qualified high deductible plans can be no more than \$8,050 (individual) and \$16,100 (family) for 2024. The Department of Health and Human Services has determined that the out-of-pocket maximum for non-high deductible plans can be no more than \$9,450 (individual) and \$18,900 (family) for 2024. For plans at the maximum level in 2023, the maximum will increase to these amounts for 2024.
