Specify which account should pay first in instances where an expense is eligible under both an HRA and FSA. If you have chosen to include an HRA deductible, it is most common to have the HRA pay first. This allows your employees to use their FSA funds for eligible expenses while the HRA deductible is being met.

Please note: If the FSA is set up to pay first (an uncommon setup), employees' entire annual election will need to be spent before they can access any HRA funds. Please speak with your broker or CDPHP representative to determine how the HRA and health FSA work together.

DEFINITIONS

- 1.1 Defined terms shall have the meanings set forth in Exhibit A annexed hereto and incorporated herein, unless otherwise defined herein.
- 1.2 The Terms and Conditions shall consist of these Terms and Conditions and all Exhibits hereto (collectively, the “**Agreement**”) If any Exhibit provides terms that conflict with these Terms and Conditions, the terms of these Terms and Conditions shall prevail unless the Exhibit by its wording identifies the terms of these Terms and Conditions to be altered and specifically states an intent to alter such terms.
- 1.3 There may be other documents attached to this document for administrative convenience (“Attachments”). Such Attachments do not comprise part of the Agreement.

ADMINISTRATIVE SERVICES

- 2.1 **Scope of Relationship.** Employer has sole and final authority to control and manage the operation of the Plan. Administrative Agent is and shall remain an independent contractor with respect to the service being performed hereunder and shall not, for any purpose, be deemed an employee of Employer or a fiduciary of the Plan. Administrative Agent and Employer shall not be deemed partners, nor are they engaging in a joint venture or governed by any legal relationship other than that of independent contractor. Administrative Agent does not assume any responsibility for the general policy design of the Plan, the adequacy of its funding, discretionary interpretation of the Plan, or any act or omission or breach of duty by Employer. Nor is Administrative Agent, under the terms of this Agreement, to be deemed an insurer, underwriter or guarantor with respect to any benefits payable under the Plan. Administrative Agent is providing certain ministerial administrative services at the direction of Employer only and does not assume any final risk or obligation with respect to Claims payable by Employer under the Plan or discretionary authority to interpret the terms of the Plan. Nothing herein shall be deemed to constitute Administrative Agent as a party to the Plan nor to confer upon Administrative Agent any authority or control respecting management of the Plan, independent authority or responsibility in connection with the administration of the Plan except as explicitly provided herein or responsibility for the terms or validity of the Plan.
- 2.2 **Scope of Services.** Commencing on the Effective Date and thereafter for the term of this Agreement, Administrative Agent shall provide certain administrative services in connection with the administration of the Plan. The duties to be performed by Administrative Agent and the fees to be paid by Employer to Administrative Agent are set forth as **Exhibit B**. The parties agree that the duties to be performed hereunder by Administrative Agent are non-discretionary ministerial duties with respect to claims administration in accordance with the express terms of the Plan. To the extent discretionary interpretation of the Plan is required, Administrative Agent shall defer to the Employer and/or its Plan Administrator to make such discretionary decisions. The parties may agree to additional duties in writing as may be specified in a Statement of Work (SOW), a template of which is attached hereto at **Exhibit C**. Unless otherwise negotiated by the employer in an SOW, Administrative Agent shall apply the following administrative rules that are not specified as Employer options in this Agreement:
 - (a) The Run-Out Period varies depending on employment status and Benefit Options, as follows:
 - (1) With respect to active Employees, the Run-Out Period for the HRA, Dependent Care FSA and Health FSA begins on the first day of the following Plan Year and ends at the end of the 90-day period after the end of the Plan Year or Grace Period, if applicable.
 - (2) With respect to terminated or deceased employees who participated in the HRA or Health FSA, or employees on leave of absence who revoked their Health FSA contribution election during leave, the Run-Out Period is the 90-day period immediately following termination, death, or revocation of the contribution election.
 - (3) With respect to terminated employees who participated in the Dependent Care FSA, or employees on leave of absence who revoked their Dependent Care FSA contribution election during leave, the Run-Out Period is the same as for active Employees.
 - (b) Only current employees are eligible for the HRA, Health FSA or Dependent Care FSA. There is no continuation (or separate plan) for retired or terminated employees other than COBRA.
 - (c) The effective date of coverage (“Entry Date”) varies depending on employment status and Benefit Options, as follows:
 - (1) For the HRA, Dependent Care FSA and Health FSA, with respect to new enrollees during an Employer’s annual election period for the Medical Plan, the entry date is the first day of the new Plan Year.
 - (2) For the HRA, with respect to newly hired Employees, or those Employees who enroll mid-year, the Entry Date is

the effective date of coverage under the Integrated Medical Plan.

- (3) For the Health FSA and Dependent Care FSA, with respect to newly hired Employees, the Entry Date is the date the Eligible Employee becomes eligible for Medical Plan coverage, so long as coverage is elected within 30 days of the date of hire.
- (d) A COBRA Qualified Beneficiary may elect COBRA continuation for the HRA only if the Qualified Beneficiary also elects COBRA coverage for the Integrated Medical Plan.
- (e) For the HRA and Health FSA, domestic partners and their children do not have independent COBRA rights as Qualified Beneficiaries, and are eligible for COBRA only as dependents of an employee who is a Qualified Beneficiary with a COBRA right.
- (f) For the HRA, the Integrated Medical Plan must be insured or administered by CDPHP (i.e., the HRA cannot be integrated with another employer's plan, a spouse's employer's plan, an Employer plan insured by another carrier, a self-funded plan administered by another third party administrator, or Medicare, nor can it be stand-alone without Integrated Medical Plan enrollment, even in the case of a Limited Purpose HRA).
- (g) For the HRA, all enrolled dependents in the Integrated Medical Plan are eligible for the HRA, including domestic partners and their children. As required by law, Employers must impute income with respect to domestic partner HRA coverage, unless the domestic partner and/or domestic partner's child is the Participant's tax dependent, or the Participant waives coverage for the domestic partner and/or domestic partner's child.
- (h) For the HRA, Participants may opt-out and waive coverage only at open enrollment and termination, but not midyear.
- (i) Participants have the option to waive HRA coverage with respect to any dependent without waiving HRA coverage for themselves or for other dependents.
- (j) If Employer submits all required authorizations and certifications to CDPHP and Administrative Agent, and where offered to the Employer group type, Administrative Agent may:
- obtain claims data from the HRA Integrated Medical Plan insured by CDPHP for purposes of claims adjudication and payment under the HRA, if the Integrated Medical Plan is part of the same group health plan or Organized Health Care Arrangement (OHCA) with the HRA.
 - obtain claims data from the Medical Plan Option insured by CDPHP for purposes of claims adjudication, substantiation and payment under the FSA, if the Medical Plan Option is part of the same group health plan or OHCA with the FSA.
 - share claims data between the HRA and FSA for purposes of claims adjudication, substantiation and payment, if the HRA and FSA are part of the same group health plan or OHCA.

2.3 Benefits Payment and Account Statements. Administrative Agent shall operate under the express terms of this Agreement and accordance with the Plan Documents. Employer shall receive all Election of Benefit Forms from Employees and determine eligibility of Employees to participate in the Benefit Options selected by such Employee. Employer shall then prepare and furnish to Administrative Agent updated and complete Eligibility Reports indicating the Participants of the Plan, the Benefit Options selected, and the Plan Benefit Dollars allocated to such Benefit Options, including detail as to whether the Plan Benefit Dollars are Employer or Employee contributions and the effective date of the coverage. Administrative Agent shall, based upon the Eligibility Reports prepared by Employer, pay Claims in its usual and customary manner to Participants from the Plan Account(s) established by Employer. In the event there is a question requiring discretionary decision-making concerning coverage of a Claim, Administrative Agent shall forward such question to Employer or its Plan Administrator, who shall make a coverage determination. Administrative Agent will, at Employer's direction, either pay or not pay the Claim and communicate that decision to Participant.

Employer shall submit amended Eligibility Report(s) to Administrative Agent in advance of a permitted change to either the Employer or Employee contributions to the Plan. Employer shall be responsible for funding its contribution and assuring that the contribution committed to by Employees are funded at the level committed to in the Plan Documents. Immediately upon such notification, Employer shall wire additional funds into the Plan Account as necessary to fund all current payable Claims or shall immediately amend the Eligibility Report and submit the amended Eligibility Report to Administrative Agent. Administrative Agent shall cease to pay any Claims until Employer has deposited sufficient funds in the Plan Account to cover all current payable Claims.

Administrative Agent shall make available to Employer on a quarterly basis, a master report showing the payment history and status of Participant Claims and the amounts and transactions of Participant accounts during the preceding months. Within 90 days of the end of the Plan Year or Grace Period, if applicable, Administrative Agent shall furnish to Employer a final report detailing the amounts of any unpaid Claims. It shall be Employer's sole responsibility and

obligation, and not that of Administrative Agent, to reconcile Employer's Plan Account and to dispose of any excess Plan Account assets in accordance with relevant state and federal laws, rules and regulations, and the terms of the Plan.

2.4 Prior Reimbursement Claims. Administrative Agent shall have no duty or obligation with respect to Prior Reimbursement Claims, or services, if any, related thereto and/or Plan administration or any other services relating to the Plan arising prior to the Effective Date. Employer or its predecessor administrator shall be responsible for processing Prior Reimbursement Claims, including any run-off claims submitted after the Effective Date and Employer shall maintain legally required records of all Prior Reimbursement Claims and Prior Administration sufficient to comply with all applicable legal requirements. Employer shall indemnify and hold Administrative Agent harmless for any liability, costs and expenses associated with or relating to Prior Reimbursement Claims and/or Prior Administration.

2.5 Service Delivery. Administrative Agent shall perform necessary and customary administrative and clerical work in connection with each Claim and shall provide personnel, computer services and office and related services needed to perform Administrative Agent's obligations under this Agreement. By providing such documents, Administrative Agent is not providing legal advice or warranting the legal compliance of the templates; such compliance can only be assured by competent legal counsel after taking into account the Employer's specific facts and circumstances.

2.7 Privacy Notices. Administrative Agent shall provide to Employer notices reflecting Administrative Agent's privacy policies and practices as required by State and/or federal law and regulation. Administrative Agent shall also provide Employer with a model HIPAA Notice of Privacy Practices template, which shall describe the existence of the Organized Health Care Arrangement permitting the sharing of PHI between the Medical Plan and the HRA plan and Health FSA. The Employer shall be responsible for customizing and finalizing and distributing such HIPAA Notice of Privacy Practices to participants. The parties agree to amend this Agreement as is necessary, from time to time, to comply with the requirements of the privacy rules under HIPAA and other applicable laws. In accordance with the requirements of HIPAA, the parties shall execute a HIPAA Business Associate Contract (BAC), which will be annexed hereto as **Exhibit D** and incorporated herein.

2.8 Recordkeeping. Administrative Agent shall maintain, for the duration of this Agreement, the usual and customary books, records and documents, including electronic records, (collectively the "Records") that relate to the Plan and its Participants that Administrative Agent has prepared or that has otherwise come within its possession in furtherance of this Agreement. EMPLOYER RESPONSIBILITIES

3.1 Plan. Employer has the sole authority and responsibility for the Plan and its operation, including the authority and responsibility for administering, construing, designing and interpreting the provisions of the Plan and making all final determinations thereunder. Employer confers to Administrative Agent the authority to act on behalf of Employer in connection with the Plan, but only as expressly set forth in this Agreement or as mutually agreed upon in writing by Employer and Administrative Agent. Unless Employer has delegated authority in the Plan document, SPD, or other documents governing the Plan to another committee or Person, Employer is considered the Plan Administrator and “Named Fiduciary” of the Plan and the benefits thereunder for purposes of ERISA.

Employer retains the authority and responsibility to:

- (a) Make and enforce such rules and regulations as the Employer deems necessary or proper for the efficient administration of the Plan;
- (b) Decide all questions concerning the Plan and the eligibility of any person to participate in the Plan and to receive benefits provided by operation of the Plan;
- (c) Reject elections or to limit contributions or benefits for certain highly compensated participants if it deems such to be undesirable in order to avoid discrimination under the Plan in violation of applicable provisions of the Code;
- (d) Provide Employees with a reasonable notification of their Benefit Options available by operation of the Plan;
- (e) Appoint such agents, counsel, accountants, consultants, and actuaries as may be required to assist in administering the Plan; and
- (f) Delegate the execution of Employer’s decisions regarding the enforcement of rules, determination of answers to questions, the acceptance or rejection or limit of contributions or Benefit Options, provision of notice, or such other tasks as Employer shall see fit, to the Administrative Agent or others.

Employer further agrees that any procedure, discretionary act, interpretation or construction taken by the Employer shall be done in a nondiscriminatory manner based upon uniform principles consistently applied and shall be consistent with the intent that the Plan shall continue to comply with the terms of the Code and the Treasury Regulations thereunder.

3.2 Compliance with Law. Without limiting Employer’s responsibilities described herein, it shall be Employer’s sole responsibility (as Plan Sponsor and Plan Administrator) and duty to ensure compliance with COBRA; amend the Plan and Plan Documents as necessary to ensure ongoing compliance with applicable federal and state law, regulations and rules; prepare and file any required tax or governmental returns relating to the Plan, including, but not limited to, Form 5500; determine if and when a valid election change has occurred; execute and retain required Plan and Claims documentation; and take all other steps reasonable and necessary to maintain and operate the Plan in compliance with applicable provisions of the Plan, this Agreement, ERISA, the Code and other applicable state and federal law, regulations and rules. Employer shall be solely responsible for any fines or penalties assessed by any governmental agency due to the acts and/or omissions of Employer or the Plan or by previous or successor administrative agents for Employer and shall indemnify and hold harmless Administrative Agent from any such liability.

3.3 Plan Documents. Employer shall provide Administrative Agent with all relevant information, including but not limited to, the final Plan Documents, any Plan amendments, Eligibility Reports, and Eligibility Report amendments. Employer shall distribute to employees all necessary forms, including but not limited to, Summary Plan Description, Summary of Material Modifications to the Plan, if any, Claim forms, the Summary Annual Report, and any other Plan information or Plan documentation requested by a Participant. Employer shall notify Administrative Agent of any changes to the Plan at least thirty (30) days before the effective date of such changes. Employer acknowledges that Administrative Agent is not providing tax or legal advice or representation and that Employer shall be solely responsible for determining the legal and tax status and implications of the Plan. Employer shall be solely responsible for filing any required documentation to relevant governmental agencies and authorities.

3.4 Information to Administrative Agent. Employer shall furnish to Administrative Agent all information requested by Administrative Agent to perform Administrative Agent’s duties under this Agreement, including, but not limited to, accurate Eligibility Reports. Such information shall be provided to Administrative Agent in the time and in the manner agreed to by Employer and Administrative Agent. Administrative Agent shall have no responsibility with regard to benefits paid in error due to Employer’s failure to timely update such information. From time to time thereafter, Employer shall provide Administrative Agent with updated Eligibility Reports by electronic medium unless otherwise agreed by the parties. The Eligibility Reports shall specify the information requested by Administrative Agent which shall include, but not be limited to, the effective date for each Participant who is added to or terminated from participation in the Plan. Employer shall be responsible for ensuring the accuracy of any Eligibility Report. Administrative Agent shall have no

liability to Employer or any Participant as a consequence of an inaccurate Eligibility Report and Administrative Agent shall not have any obligation to credit Employer for any Claims, expenses or administrative fees incurred or paid to Administrative Agent as a consequence of an inaccurate Eligibility Report. Administrative Agent shall presume that all such information is complete and accurate and is under no duty or obligation to question the completeness or accuracy of such information.

3.5 Liability for Claims. Employer is solely responsible for the payment of Claims pursuant to, and the benefits provided by, the Plan. Administrative Agent does not insure or underwrite the liability of Employer under the Plan. Except for expenses specifically assumed by Administrative Agent in this Agreement, Employer is responsible for all costs and expenses incident to the Plan. Including any fees, surcharges, or taxes imposed by law on the operation of the Plan (e.g., MA Health Safety Net or MA PIPA). The MA Health Safety Net Surcharge is assessed on a monthly basis on any payments made from a health reimbursement arrangement (HRA) to certain hospitals and ambulatory surgical centers in Massachusetts. If a member of your group has obtained a service at one of these designated facilities Administrative Agent will invoice you for the surcharge on payments made to these providers. The amount will be deducted automatically from the plan's funding account, and if there is insufficient funds to pay such amounts, the sponsoring entity will be invoiced for the amount.

BENEFIT PLAN PAYMENT: EMPLOYER'S FUNDING RESPONSIBILITY

4.1 Plan Account. Upon execution of this Agreement, Employer shall establish, maintain and fund a Plan Account. All benefits shall be paid from the Plan Account and Employer shall ensure that the Plan Account is and remains adequately funded to satisfy the payment of all Benefit Options. As Plan Fiduciary, Employer shall be responsible for the Plan Account, including but not limited to, any and all reporting requirements associated therewith, as well as the disposition of excess Plan Account assets in accordance with relevant state and federal laws, rules, and regulations.

4.2 Reimbursement of Claims. In accordance with this Agreement and the Plan Document, Employer authorizes Administrative Agent to reimburse the Participant or the service provider, if applicable, for Eligible Expenses submitted to Administrative Agent by Participant pursuant to the Plan Document. Employer shall execute the ACH authorization form attached hereto as **Exhibit E**. Administrative Agent may pay such Claims via a direct ACH from the Plan Account, and/or may pay such Claims by issuing checks from Administrative Agent's own accounts and withdrawing sufficient funds from the Plan Account via a direct ACH to cover the expenses. See the document titled A Guide to Reports & Funding for additional information regarding the funding process. In the event Administrative Agent determines that a Claim does not qualify for payment or reimbursement or in the event that a Claim is paid but then later the Claim is determined to be unsubstantiated or otherwise made in error, Administrative Agent shall assist Employer in making the Plan whole by making a reasonable number of attempts requesting repayment of the improper amount by the Participant and/or the service provider, and/or by offsetting future claims made to the Participant until the amount is repaid. Alternatively, Employer may, in its discretion, withhold the improper payment from the Participant's wages or other compensation to the extent consistent with applicable state or federal law. If attempts by Administrative Agent and/or Employer fail to recover the improper payment, Employer may, consistent with Employer's business practices, treat the amount as any other business indebtedness. In the event recovery is unsuccessful, Administrative Agent shall have no liability or obligation to fund or reimburse claims that were unsubstantiated, made in error, or otherwise do not qualify for payment, unless the mistaken payment was made due to Administrative Agent's own gross negligence.

4.3 Debit and Credit Cards. Participants may, subject to a procedure established by Administrative Agent and applied in a uniform and nondiscriminatory manner, use debit and/or credit cards ("Cards") provided by Administrative Agent and supported by the Administrative Agent Designee for the payment of Eligible Expenses ("Card Program"). If Employer elects to participate in the Card Program, Employer shall execute the ACH authorization form attached hereto as **Exhibit F**. Participants shall be subject to the terms and conditions of the cardholder agreement, which shall be distributed with the Card. The Benefits Approved for Card Use are those set forth in the Adoption Agreement.

4.4 Funding of Benefits. Funding for any payment on behalf of the Participants under the Plan, including but not limited to, all benefits to Participants in accordance with the Plan, whether by reimbursement or participation in the Card Program, is the sole responsibility of Employer. Employer agrees to accept liability for, and provide sufficient funds to satisfy, all payments to Participants under the Plan, and all Card Transactions, including payment and reimbursement of Claims for Eligible Expenses, where such expenses are incurred and the Claim is presented for payment or reimbursement during the term of this Agreement. Administrative Agent and/or the Administrative Agent Designee reserve the right to perform an initial and/or intermittent credit review of Employer to determine Employer's credit status. Should Employer fail to meet the criteria as established by Administrative Agent and/or the Administrative Agent Designee, in its sole discretion, Administrative Agent and/or the Administrative Agent Designee may suspend Employer and Employer's Participants' access to the Card Plan until such time as Employer has met Administrative Agent and/or the Administrative Agent

Designee criteria or has provided Administrative Agent and/or the Administrative Agent Designee with either a letter of credit or an advance deposit in an amount acceptable to Administrative Agent and/or the Administrative Agent Designee.

In the event there are insufficient funds in the Plan Account to cover the payment of Card Transactions, Employer shall be assessed the Transaction Charge for each ACH returned due to insufficient funds. In addition, Administrative Agent and the Administrative Agent Designee each reserve the right to terminate access by Employer to the Card Plan by its Participants. Liability for payment of any Claim shall be the sole responsibility of Employer and in no event shall Administrative Agent or the Administrative Agent Designee be responsible for any Claims or any costs associated with Employer's failure to meet its funding obligations under this Agreement.

4.5 Unclaimed Benefits. If, within one year after any amount becomes payable hereunder to a Participant, Spouse, Dependent or Beneficiary and the same shall not have been claimed or any check issued under the Plan remains uncashed, provided reasonable care shall have been exercised by the Plan Administrator in attempting to make such payments, the amount thereof shall be forfeited and shall cease to be a liability of the Plan.

ADMINISTRATIVE AGENT COMPENSATION

5.1 Service Charges. The amounts of the monthly services charges of Administrative Agent are described in **Exhibit B**. Administrative Agent may change the amount of such charges by providing at least thirty (30) days written or electronic notice to Employer. Administrative Agent may also change the monthly service charges as of the date any change is made in the Plan by Employer.

5.2 Billing of Charges. All Administrative Agent service charges, whether provided for in this or any other Section, shall be billed separately from statement for payment of Claims so that proper accounting can be made by Employer of the respective amounts paid for Claims and for administrative expenses.

5.3 Payment of Charges. All charges under this Section 5 shall be determined by Administrative Agent and billed electronically to Employer on a monthly basis. Administrative Agent shall withdraw its service charges by ACH transfer from Employer's designated bank account within 40 hours after the invoice is provided, but no sooner than the first of each month for which the service charges relate.

TERM AND TERMINATION

6.1 Term. The term of this Agreement shall begin on the Effective Date and shall continue for the twelve (12)-month period commencing on the Effective Date; thereafter, this Agreement shall terminate, and neither party shall have any further obligations hereunder unless this Agreement is terminated in accordance with the provisions of this Section 6.

6.2 Automatic Termination. This Agreement shall automatically terminate as of the earliest of the following:

- (a) the effective date of any legislation that makes the Plan and/or this Agreement illegal;
- (b) the date Employer becomes insolvent, bankrupt, subject to liquidation, receivership or conservatorship; or
- (c) the termination date of the Plan, subject to any agreement between Employer and Administrative Agent regarding payment of benefits after the Plan is terminated.

6.3 Termination Without Cause. Either party shall have the right to terminate the Agreement without cause upon ninety (90) days prior written notice to the other party.

6.4 Termination With Cause. Administrative Agent may terminate the Agreement ten (10) business days following the occurrence of any of the following events: (i) Employer's failure to pay any charges after they are due and payable as provided for in Section 5; (ii) Employer's failure to fund the Plan Account; (iii) the failure of Employer to perform its obligations in accordance with this Agreement. Employer may terminate this Agreement upon the material failure of Administrative Agent to perform its obligations in accordance with this Agreement following Employer's thirty (30)-day written notice of such material failure and Administrative Agent's failure to cure such material failure.

6.5 Limited Continuation After Termination. If the Plan is terminated, Employer and Administrative Agent may mutually agree in writing that this Agreement shall continue for the purpose of payment of any Plan benefit, expense or Claim incurred prior to the date of Plan termination. In addition, if this Agreement is terminated while the Plan continues in effect, Employer and Administrative Agent may mutually agree in writing that this Agreement shall continue for the purpose of payment of any Claims for which requests for reimbursements have been received by Administrative Agent before the date of such termination. For at least one hundred eighty (180) days following the effective date of Termination, Employer shall maintain a settlement account with Administrative Agent and Alegeus, LLC by which both Administrative Agent and Alegeus, LLC may charge to settle any run-off activity which accrues prior to the effective date of Termination. If this Agreement is terminated and Administrative Agent continues to perform in accordance with this Section 6.5, Employer shall pay the monthly service charges incurred during the period that this Agreement is so continued and a final termination fee equal to the final month's service charge. The obligations of Employer under this Section 6.5 shall

survive expiration or termination of this Agreement.

LIMITATION OF LIABILITY

- 7.1 Exclusion of Incidental and Consequential Damages.** Independent of, severable from, and to be enforced independently of any other provision of this Agreement, NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY (NOR TO ANY PERSON CLAIMING RIGHTS DERIVED FROM THE OTHER PARTY'S RIGHTS) IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES OF ANY KIND—INCLUDING LOST PROFITS, LOSS OF BUSINESS, OR OTHER ECONOMIC DAMAGE, AND FURTHER INCLUDING INJURY TO PROPERTY, AS A RESULT OF OR RELATING TO THIS AGREEMENT OR THE SERVICES, INCLUDING, WITHOUT LIMITATION, BREACH OF ANY WARRANTY OR OTHER TERM OF THIS AGREEMENT, OR ANY FAILURE OF PERFORMANCE, REGARDLESS OF WHETHER THE PARTY LIABLE OR ALLEGEDLY LIABLE WAS ADVISED, HAD OTHER REASON TO KNOW, OR IN FACT KNEW OF THE POSSIBILITY THEREOF.
- 7.2 Maximum Damages Allowed.** Notwithstanding any other provision of this Agreement, and for any reason, including breach of any duty imposed by this Agreement or independent of this Agreement, and regardless of any claim in contract, tort (including negligence) or otherwise, Administrative Agent's total, aggregate liability under this Agreement shall in no circumstance exceed payments made to Administrative Agent by Employer for the services to which the claim relates during the twelve (12) months prior to the act or event giving rise to such claim.
- 7.3 Statute of Limitations.** No lawsuit or other action may be brought by either party hereto, or on any claim or controversy based upon or arising in any way out of this Agreement, after one (1) year from the later of the date on which the cause of action arose or the date on which the party learns of or reasonably should have discovered the cause of action, regardless of the nature of the claim or form of action, whether in contract, tort (including negligence) or otherwise; provided, however, the foregoing limitation shall not apply to the collection of any amounts due Administrative Agent under this Agreement.
- 7.4 Standard of Care.** In the provision of services, Administrative Agent shall use that degree of ordinary and reasonable skill, care and diligence in the exercise of its duties hereunder, taking into account all relevant factors, including the complexity of the Plan and its benefit package, nature and volume of claims, and the cooperation of Plan Sponsor and Participants, that a prudent claims administrator under a like plan familiar with such matters would exercise in like circumstances.

INDEMNIFICATION

- 8.1 Mutual Indemnification.** Plan Sponsor and Administrative Agent shall indemnify and hold each other harmless from any and all claims, demands, suits, causes of action, costs and expenses of all kinds which may result or arise out of a material breach of this agreement or the gross negligence or willful misconduct of the indemnifying party, or any of its agents, employees or representatives, in the performance of this Agreement.
- 8.2 Indemnification by Plan Sponsor.** In addition, Employer hereby indemnifies and holds harmless Administrative Agent and its officers, employees, and agents from and against any claims, losses, damages, liabilities or expenses (including but not limited to settlement costs and reasonable legal, accounting and other expenses for investigating or defending claims or threatened actions) arising out of or in connection with:
- (a) the acts or omissions of Employer in connection with the Plan, or any claim, demand, or lawsuit by Participants and beneficiaries against Administrative Agent in connection with benefit payments or services performed hereunder;
 - (b) the acts or omissions of Employer in connection with Employer's obligations specifically set forth in Section 3 of this Agreement;
 - (c) Prior Reimbursement Claims and/or Prior Administration as well as from any premium charge, tax or similar assessment (federal or State) for which the Plan or Employer is liable;
 - (d) the unauthorized use of Confidential Information to commit identity theft and/or financial fraud that occurs as a result of Employer's breach of its security or confidentiality obligations set forth in this Agreement; and
 - (e) any legal action or proceeding brought by a Participant or other third party against Administrative Agent to recover a claim for benefits under the Plan.
 - (f) If a claim is asserted, or litigation, investigation, or other proceedings are commenced against Administrative Agent by a Participant, or by any other party on behalf of itself or a Participant, in connection with the Plan, Administrative Agent shall provide notice to the Plan Sponsor as soon as practicable. Administrative Agent will select and retain counsel, unless Plan Sponsor accepts a tender of defense and defends Administrative Agent. Except in cases where Plan Sponsor and/or the Plan obtain separate counsel, Administrative Agent's selection of counsel is subject to Plan Sponsor's approval, which shall not be unreasonably withheld. Plan Sponsor is liable for payment of attorneys' fees and costs in connection with the litigation, proceeding, or investigation, except: (i) where a conflict of interest necessitates

that the Plan or Plan Sponsor obtain separate counsel, (ii) where Administrative Agent retains counsel for which Plan Sponsor has not given its approval, or (iii) Administrative Agent is found by a court or administrative tribunal to have been grossly negligent or have engaged in willful misconduct. If the Plan Sponsor or Plan are also named in the legal action or proceeding, Plan Sponsor reserves the right to retain separate counsel for itself, in its sole discretion and at its own expense, and separate counsel for the Plan. If during such litigation, investigation or proceedings Plan Sponsor and Administrative Agent are both represented by the same counsel selected by Administrative Agent and a conflict of interest arises, the selected counsel may continue to represent Administrative Agent's interests if Plan Sponsor waives any conflict for such representation and retains its own counsel, or separate counsel for the Plan, at its own expense. Each party will provide the other with reasonable cooperation in the defense of any such matter. Administrative Agent is authorized to settle or compromise any claim to recover benefits under the Plan arising out of a course of legal action with the approval of Plan Sponsor, which approval shall not be unreasonably withheld.

8.3 Survival of Obligation. The obligations of Employer pursuant to Section 8.1 of this Agreement shall survive termination or expiration of this Agreement.

GENERAL PROVISIONS

9.1 Severability; Headings. If any term of this Agreement is declared invalid by a court, the same will not affect the validity of any other provision, provided that the basic purposes of this Agreement are achieved through the remaining valid provisions. The headings of sections and subsections contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

9.2 Assignment; Amendment. Neither Employer nor Administrative Agent can assign this Agreement without the other party's written consent; such consent shall not be unreasonably withheld, provided however, Administrative Agent may assign this Agreement to any current or future Administrative Agent Affiliate without consent of Employer. 9.3 Non-Disclosure of Proprietary Information. Employer and Administrative Agent each acknowledge that in contemplation of entering into this Agreement and as a result of the contractual relationship created hereby, each party has revealed and disclosed, and shall continue to reveal and disclose to the other, information which is proprietary and/or confidential information of such party ("Confidential Information"). Employer and Administrative Agent agree that each party shall: (a) keep such Confidential Information of the other party in strict confidence; (b) not disclose Confidential Information of the other party to any third parties or to any of its employees not having a legitimate need to know such information; and (c) not use Confidential Information of the other party for any purpose not directly related to and necessary for the performance of its obligations under this Agreement (unless required to do so by a court of competent jurisdiction or a regulatory body having authority to require such disclosure). Information revealed or disclosed by a party for any purpose not directly related to and necessary for the performance of such party's obligations under this Agreement shall not be considered Confidential Information for purposes hereof: (a) if, when, and to the extent such information is or becomes generally available to the public without the fault or negligence of the party receiving or disclosing the information; or (b) if the unrestricted use of such information by the party receiving or disclosing the information has been expressly authorized in writing and in advance by an authorized representative of the other party. For purposes of this Section, Confidential Information is any information in written, human-readable, machine-readable, or electronically recorded form (and legended as confidential and/or proprietary or words of similar import); information disclosed orally in connection with this Agreement and identified as confidential and/or proprietary (or words of similar import); and programs, policies, practices, procedures, files, records and correspondence concerning the parties' respective businesses or finances. The terms and conditions of this Section 9.3 shall survive the termination of this Agreement.

9.4 Notices and Communications. All notices provided for herein shall be sent by guaranteed overnight mail, with tracing capability, or by first-class United States mail, with postage prepaid, addressed to the other party at their respective addresses set forth in the Health Funding Arrangements Administration Agreement Form or such other addresses as either party may designate in writing to the other from time to time for such purposes. All notices provided for herein shall be deemed given or made when received.

9.5 No Waiver. The failure of either party to this Agreement to insist upon the performance of any of the terms and conditions of this Agreement, or the waiver of any breach of any of the terms and conditions of this Agreement, shall not be construed as thereafter waiving any such terms and conditions, but the same shall continue and remain in full force and effect as if no such forbearance or waiver had occurred.

9.6 Complete Agreement; Governing Law. This Agreement, including the Exhibits, is the full Agreement of the parties with respect to the subject matter hereof and supersedes all prior agreements and representations between the parties. This Agreement shall be construed, enforced and governed by the laws of the State of New York.
