

Supporting Your Mental Health From Home

Receive mental health support from psychiatrists and therapists, quickly and easily, from the comfort and safety of your home.

Valera Health treats adults, adolescents, and children 6+ years of age who live in New York State.

- ▶ Address feelings of being depressed, anxious, or overwhelmed
- ▶ Manage stress related to your personal life, work, or relationships
- ▶ Receive prescriptions for psychiatric and other medications that support your mental health
- ▶ Learn more about managing and using your behavioral health medications, including how to build healthier habits

Representation and inclusivity are at the forefront of Valera Health's values

- ▶ 30% of Valera patients identify as a Person of Color (POC), and so do a third of our providers.
- ▶ 20% of our providers are part of the LGBTQIA+ community.
- ▶ 12+ languages are represented across Valera's provider team.

You will be able to chat and have video calls with any of the Valera Health providers, in a fully HIPAA-secure environment.

Get started by scheduling a free consultation at www.valerahealth.com. Once you talk with a Valera Health coach, you'll be connected to a provider within one week. *Cost-share may apply for these services. For additional questions about this benefit, please call CDPHP® at 1-888-320-9584.*

Visit www.valerahealth.com for your free consultation.

Discrimination is Against the Law

Capital District Physicians' Health Plan, Inc. (CDPHP®) complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
