

## CDPHP® Medicare Advantage Pharmacy Prior Authorization Guidelines Grid

*Effective February 1, 2024 (unless otherwise noted)*

The following guideline outlines those services that may require prior authorization through the CDPHP® pharmacy department. Coverage of a service is subject to the member’s eligibility, specific contract benefits, CDPHP policy and any applicable National or Local Medicare Coverage Determination guidance. This grid is NOT APPLICABLE for members that are enrolled in a Medicare Supplement Plan. Requests for a service that does not meet criteria outlined in the CDPHP pharmacy policies or for an extension beyond what has been approved by CDPHP should be directed to the pharmacy department at (518) 641-3784. Please also reference the CDPHP Medicare Advantage Part B versus Part D Determination document, located on [cdphp.com/medicare](http://cdphp.com/medicare) to determine if a Part B vs. Part D prior authorization is required.
