2026 Pharmacy Directory

This Pharmacy Directory was updated on 09/2025. For more recent information or other questions, please contact the Capital Rx Customer Care Center at 1-866-289-2319. TTY users should call 711. A representative is available 24 hours a day, seven days a week. Or, visit <http://findadoc.cdphp.com>.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at <http://findadoc.cdphp.com>. You may also call Member Services for updated providers Monday–Sunday from 8 a.m. to 8 p.m. at (518) 641-3950 or toll free 1-888-248-6522 (TTY/TDD: 711).

CDPHP is an HMO and PPO plan that contracts with the federal government. Enrollment in CDPHP Medicare plans depends on contract renewal.

Introduction

This booklet provides a list of CDPHP Medicare Advantage network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and CDPHP Medicare Advantage Formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under CDPHP Medicare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies by section with PREFERRED to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Wegmans mail order. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact CDPHP Medicare Advantage.

Medicare Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Wegmans mail order. For refills of your mail order prescriptions, you have the option to sign up for an automatic refill service. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

To opt out of the automatic refill program, please contact us at 1-866-289-2319. TTY/TDD users should call 711.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-866-289-2319, 24 hours a day, seven days a week. TTY/TDD users should call 711.
