WELCOME TO SELECT PLAN, CDPHP’S MEDICAID MANAGED CARE PROGRAM

We are glad that you chose CDPHP. This handbook will be your guide to the full range of health care services available to you. We want to be sure you get off to a good start as a new member. In order to get to know you better, we will get in touch with you in the next two or three weeks. You can ask us any questions you have, or get help making appointments. If you need to speak with us before we call on you, however, just call us at (518) 641-3800 or 1-800-388-2994.

HOW MANAGED CARE WORKS

The Plan, Our Providers, and You
• You may have heard about the changes in health care. Many consumers now get their health benefits through managed care, which provides a central home for your care. If you were getting behavioral health services using your Medicaid card, now those services may be available through CDPHP.

• CDPHP has a contract with the State Department of Health to meet the health care needs of people with Medicaid. In turn, we choose a group of health care providers to help us meet your needs. These doctors and specialists, hospitals, labs and other health care facilities make up our provider network. You’ll find a list in our provider directory. If you don’t have a provider directory, call 1-800-388-2994 to get a copy or visit the Find a Doc feature on our website at www.CDPHP.com.

• When you join CDPHP one of our providers will take care of you. Most of the time that person will be your PCP (Primary Care Provider). If you need to have a test, see a specialist, or go into the hospital, your PCP will arrange it. Your PCP is available to you everyday, day and night.

• If you need to speak to him or her after hours or weekends, leave a message and how you can be reached. Your PCP will get back to you as soon as possible. Even though your PCP is your main source for health care, in some cases, you can self-refer to certain doctors for some services. See page 7 for details.

• You may be restricted to certain plan providers or services if you have been identified as a restricted recipient. Below are examples of why you may be restricted:
  - getting care from several doctors for the same problem.
  - getting medical care more often than needed.
  - using prescription medicine in a way that may be dangerous to your health.
  - allowing someone other than yourself to use your plan ID card.

Confidentiality
We respect your right to privacy. CDPHP recognizes the trust needed between you, your family, your doctors and other care providers. CDPHP will never give out your medical or behavioral health history without your written approval. The only persons that will have your clinical information will be CDPHP, your Primary Care Provider and other providers who give you care.
and you authorized representative. Referrals to such providers will always be discussed with you in advance by your Primary Care Provider or your Health Home Care Manager, if you have one. CDPHP staff have been trained in keeping strict member confidentiality.

**HOW TO USE THIS HANDBOOK**

This handbook will help you, when you join a managed care plan. It will tell you how your new health care system will work and how you can get the most from CDPHP. This handbook is your guide to health services. It tells you the steps to take to make the plan work for you.

The first several pages will tell you what you need to know right away. The rest of the handbook can wait until you need it. Use it for reference or check it out a bit at a time.

When you have a question, check this Handbook or call our Member Services unit. You can also call the managed care staff at your local Department of Social Services. Those numbers are listed in the back of this book.

If you live in Albany, Broome, Clinton, Columbia, Essex, Franklin, Fulton, Greene, Montgomery, Rensselaer, Saratoga, Schenectady, Schoharie, Tioga, Warren, or Washington County, you can also call the New York Medicaid Choice Helpline at 1-800-505-5678.

**HELP FROM MEMBER SERVICES**

There is someone to help you at Member Services:

Monday through Friday, 8 a.m. to 6 p.m.
Call (518) 641-3800 or 1-800-388-2994.
TTY/TDD machine for hearing impaired at 711.
Walk-in hours: Monday–Friday, 8:30 a.m. to 4:30 p.m.
(Please call for appointment.)

If you call after business hours you may leave a message and someone will call you back the next business day.

- You can call to get help anytime you have a question. You may call us to choose or change your Primary Care Provider (PCP for short), to ask about benefits and services, to get help with referrals, to replace a lost ID card, to report the birth of a new baby or ask about any change that might affect you or your family’s benefits.
- If you are or become pregnant, your child will become part of CDPHP on the day he or she is born. This will happen unless your newborn child is in a group that cannot join managed care. You should call us and your local social services office right away if you become pregnant and let us help you to choose a doctor for your newborn baby before he or she is born.
- We offer free sessions to explain our health plan and how we can best help you. It’s a great time for you to ask questions and meet other members. If you’d like to come to one of the sessions, call us to find a time and place that is best for you.
- If you would like to know more about CDPHP and how we can best help you, please call our member services line, to get more information during that call or to request an in-person meeting at CDPHP.
- If you do not speak English, we can help. We want you to know how to use your health care plan, no matter what language you speak. Just call us and we will find a way to talk to you in your own language. We have a group of people who can help. We will also help you find a PCP (Primary Care Provider) who can serve you in your language.
- For people with disabilities: If you use a wheelchair, or are blind, or have trouble hearing or understanding, call us if you need extra help. We can tell you if a particular provider’s office is wheelchair accessible or is equipped with special communications devices. Also, we have services like:
  - TTY machine (Our TTY phone number is 711.)
  - Information in Large Print
  - Case Management
  - Help in Making or Getting to Appointments
  - Names and Addresses of Providers Who Specialize in Your Disability
- If you or your child are getting care in your home now, your nurse or attendant may not know you have joined our plan. **Call us right away** to make sure your home care does not stop unexpectedly.

**YOUR HEALTH PLAN ID CARD**

After you enroll, we’ll send you a welcome letter and packet. Your CDPHP ID card should arrive within 14 days after your enrollment date. Your card has your PCP’s (primary care provider’s) name and phone number on it. It will also have your Client Identification Number (CIN). If anything is wrong, call us right away. Your ID card does not show that you have Medicaid or that CDPHP is a special type of health plan.

Carry your ID card at all times and show it each time you go for care. If you need care before the card comes, your welcome letter is proof that you are a member. You must keep your Medicaid benefit card. You will need that card to get Medicaid services that CDPHP does not cover.

**PART I—FIRST THINGS YOU SHOULD KNOW**

**HOW TO CHOOSE YOUR PCP**

- You may have already picked your PCP (Primary Care Provider) to serve as your regular doctor. This person could be a doctor or a nurse practitioner. **If you have not chosen a PCP for you and your family, you should do so right away.** If you do not choose a doctor within 30 days, we will choose one for you.
- Each family member can have a different PCP, or you can choose one PCP to take care of the whole family. A pediatrician treats children. Family practice doctors treat the whole family. Internal medicine doctors treat adults. Member Services ((518) 641-3800 or 1-800-388-2994) can check to see if you already have a PCP or help you choose a PCP.
- CDPHP provides an online list of all doctors, clinics, hospitals, pharmacies and others who work with us in the Find-A-Doc section of www.CDPHP.com. You can also ask to receive a printed book with this information. If you would like one mailed to you, please call Member Services or you can fill
• If you have a long-lasting illness, like HIV/AIDS or other long term health problems, you may be able to choose a specialist to act as your PCP (primary care provider). Your PCP, after speaking with the CDPHP medical director and a specialist, may issue a referral/authorization to a specialist with experience in treating your condition. That specialist will be able to provide and assist with your primary and specialty care. A referral/authorization will be made, along with a treatment plan approved by CDPHP after talking to your PCP, the specialist, and you. The specialist shall be able to treat you without a referral/authorization from your PCP, under the terms of the treatment plan.

• If you need to, you can change your PCP in the first 30 days after your first appointment with your PCP. After that, you can change up to once every 6 months without cause, or more often if you have a good reason. You can also change your OB/GYN or a specialist to whom your PCP has referred you.

• If your provider leaves CDPHP, we will tell you within 15 days from when we know about this. If you wish, you may be able to see that provider if you are more than three months pregnant or if you are receiving ongoing treatment for a condition. If you are pregnant, you may continue to see your doctor for up to 60 days after delivery. If you are seeing a doctor regularly for an ongoing condition, you may continue your present course of treatment for up to 90 days. Your doctor must agree to work with the Plan during this time.

If any of these conditions apply to you, check with your PCP or call Member Services at (518) 641-3800 or 1-800-388-2994.

HOW TO OBTAIN INFORMATION ABOUT PRACTITIONERS

To learn more about our network physicians, go to Find-A-Doc at www.cdphp.com or request a printed provider directory from member services. Both sources indicate whether a doctor is board certified. Member services can also give you more information on a doctor’s qualifications. Call them at the number on your ID card.

HOW TO GET REGULAR CARE

“Regular care” means exams, regular check-ups, shots or other treatments to keep you well, give you advice when you need it, and refer you to the hospital or specialists when needed. It means you and your PCP working together to keep you well or to see that you get the care you need.

Day or night, your PCP is only a phone call away. Be sure to call him or her whenever you have a medical question or concern. If you call after hours or weekends, leave a message and we will return your call as quickly as possible. Remember, your PCP knows you and knows how the health plan works.

• Your care must be medically necessary. The services you get must be needed:
  ○ To prevent, or diagnose and correct what could cause more suffering, or
  ○ To deal with a danger to your life, or
  ○ To deal with a problem that could cause illness, or
  ○ To deal with something that could limit your normal activities.

For children and youth, medically necessary means health care and services that are medically necessary to promote normal growth and development and prevent, diagnose, treat, ameliorate or palliate the effects of a physical, mental, behavioral, genetic or congenital condition, injury or disability.
• Your PCP will take care of most of your health care needs, but you must have an appointment to see your PCP. If ever you can’t keep an appointment, call to let your PCP know.

• As soon as you choose a PCP, call to make a first appointment. If you can, prepare for your first appointment. Your PCP will need to know as much about your medical background, any problems you have now, and the questions you want to ask your PCP. In most cases, your first visit should be within three months of joining the plan.

• If you need care before your first appointment, call your PCP’s office to explain the problem. He or she will give you an earlier appointment. (You should still keep the first appointment.)

• Use the following list as an appointment guide for our limits on how long you may have to wait after your request for an appointment:
  - Adult baseline and routine physicals: within 12 weeks,
  - Urgent care: within 24 hours,
  - Non-urgent sick visits: within 3 days,
  - Routine, preventive care: within 4 weeks,
  - First pre-natal visit: within 3 weeks during 1st trimester (2 weeks during 2nd, 1 week during 3rd),
  - First newborn visit: within 2 weeks of hospital discharge,
  - First family planning visit: within 2 weeks,
  - Follow-up visit after mental health/substance use disorder ER or inpatient visit: 5 days,
  - Non-urgent mental health or substance use disorder clinic visit: 1 week.

HOW TO GET SPECIALTY CARE AND REFERRALS

• If you need care that your PCP cannot give, he or she will REFER you to a specialist who can. If your PCP refers you to another doctor, we will pay for your care. Most of these specialists are plan providers. Talk with your PCP to be sure you know how referrals work.

• If you think a specialist does not meet your needs, talk to your PCP. Your PCP can help you if you need to see a different specialist.

• There are some treatments and services that your PCP must ask CDPHP to approve before you can get them. Your PCP will be able to tell you what they are. If you are having trouble getting a referral you think you need, contact Member Services at (518) 641-3800 or 1-800-388-2994.

• If we do not have a specialist in CDPHP who can give you the care you need, we will get you the care you need from a specialist outside CDPHP. This is called an out-of-network referral. You will need prior authorization from CDPHP. This is true even if the CDPHP network does not have the right specialist to meet your particular health care needs. To ask for an out-of-network referral, call CDPHP at (518) 641-4100 or 1-800-274-2332. Your PCP will be contacted and asked to supply a treatment plan explaining why you need an out-of-plan referral. We will assess the treatment plan and consult with your PCP and the out-of-plan provider and make a decision within three (3) business days. When a decision is made, you will receive a letter from a CDPHP medical director telling you whether your request has been approved or denied. Specific information needed to file an appeal will be explained in the denial letter. If your PCP or CDPHP refers you to a provider outside our network, you are not responsible for any of the costs except any copayments as described in this handbook.

• Sometimes we may not approve an out-of-network referral because we have a provider in the CDPHP’s network that can treat you. If you think our plan provider does not have the right training or experience to treat you, you can ask us to check if your out-of-network referral is medically needed. You will need to ask for a Plan Appeal. See page 16 to find out how.

• Sometimes, we may not approve an out-of-network referral for a specific treatment because you asked for care that is not very different from what you can get from a CDPHP’s network provider. You can ask us to check if your out-of-network referral for the treatment you want is medically needed. You will need to ask for a Plan Appeal. See Page 16 to find out how.

• If you need to see a specialist for ongoing care, your PCP may be able to refer you for a specified number of visits or length of time (a standing referral). If you have a standing referral, you will not need a new referral for each time you need care.

• If you have a long-term disease or a disabling illness that gets worse over time, your PCP may be able to arrange for:
  - Your specialist to act as your PCP;
  - A referral to a specialty care center that deals with the treatment of your illness.

You can also call Member Services for help in getting access to a specialty care center.

GET THESE SERVICES FROM CDPHP SELECT PLAN WITHOUT A REFERRAL

Women’s Health Care

You do not need a referral from your PCP to see one of our providers if:

• You are pregnant,
• You need OB/GYN services,
• You need family planning services,
• You want to see a mid-wife,
• You need to have a breast or pelvic exam.

Family Planning

You can get the following family planning services: advice about birth control, prescriptions for birth control, male and female condoms, pregnancy tests, sterilization, or abortion. During your visits for these things, you can also get tests for sexually transmitted infections, a breast cancer exam, and a pelvic exam.

You do not need a referral from your PCP to get these services. In fact, you can choose where to get these services. You can use your CDPHP ID card to see one of CDPHP’s family planning providers. Check the plan’s Provider Directory or call Member Services for help in finding a provider.

Or, you can use your Medicaid card if you want to go to a doctor or clinic outside CDPHP. Ask your PCP or call Member Services.

CDPHP Select Plan (518) 641-3800 or 1-800-388-2994, TTY/TDD 711, Behavioral Health Crisis 1-888-320-9584
at (518) 641-3800 or 1-800-388-2994 for a list of places to
go to get these services. You can also call the New York State
Growing Up Healthy Hotline (1-800-522-5006) for the names
of family planning providers near you.

**HIV and STI Screening**
Everyone should know their HIV status. HIV and sexually trans-
mittled infection screenings are part of your regular health care.
• You can get an HIV or STI test any time you have an office
or clinic visit.
• You can get an HIV or STI test any time you have family
planning services. You do not need a referral from your
PCP (Primary Care Provider). Just make an appointment
with any family planning provider. If you want an HIV or
STI test, but not as part of a family planning service, your
PCP can provide or arrange it for you.
• Or, if you’d rather not see one of CDPHP’s providers, you can
use your Medicaid card to see a family planning provider
outside CDPHP’s network. For help in finding either a Plan
provider or a Medicaid provider for family planning services
call Member Services at 518-641-3800 or 1-800-388-2994.
• Everyone should talk to their doctor about having an HIV
test. To get free HIV testing or testing where your name isn’t
given, call 1-800-541-AIDS (English) or 1-800-233-SIDA
(Spanish).

Some tests are “rapid tests” and the results are ready while
you wait. The provider who gives you the test will explain the
results and arrange for follow up care if needed. You will also
learn how to protect your partner. If your test is negative, we
can help you learn to stay that way.

**Eye Care**
The covered benefits include the needed services of an ophthal-
mologist, optometrist and an ophthalmic dispenser, and include
an eye exam and pair of eyeglasses, if needed. Generally, you
can get these once every two years, or more often if medically
needed. Enrollees diagnosed with diabetes may self-refer for a
dilated eye (retinal) examination once in any twelve (12)
month period. You just choose one of our participating providers.
New eyeglasses (with Medicaid approved frames) are usually
provided once every two years at a participating provider.
You should check our Provider Directory or Find-A-Doc on
www.CDPHP.com to see if your eye doctor is approved to dis-
 pense eyeglasses. New lenses may be ordered more often, if,
for example, your vision changes more than one-half diopter. If
you break your glasses, they can be repaired. Lost eyeglasses,
or broken eyeglasses that can’t be fixed, will be replaced with
the same prescription and style of frames. If you need to see
an eye specialist for care of an eye disease or defect, your
PCP will refer you.

You may self-refer to Article 28 clinics that provide optometry
services and are affiliated with the College of Optometry of
the State University of New York.

**Behavioral Health**
(Mental Health and Substance Use)
We want to help you get the mental health and drug or sub-
stance use disorder services that you may need. If at any time
you think you need help with mental health or substance use,
you can see behavioral health providers in our network to see
what services you may need. This includes services like clinic
and detox services. You do not need a referral from your PCP.

*Please note: You can call us with a behavioral health concern
24 hours a day, seven days per week, at 1-888-320-9584.
TTY/TDD users, call 711.*

**Smoking Cessation**
You can get medication, supplies and counseling if you want
help to quit smoking. You do not need a referral from your
PCP to get these services.

**Maternal Depression Screening**
If you are pregnant and think you need help with depres-
sion, you can get a screening to see what services you may
need. You do not need a referral from your PCP. You can get
a screening for depression during pregnancy and for up to a
year after your delivery.

**Diagnosis and Treatment of Tuberculosis**
You do not need a referral to go to a public health agency facility
for the diagnosis and/or treatment of TB.

**EMERGENCIES**
You are always covered for emergencies.
An emergency means a medical or behavioral condition:
• That comes on all of a sudden, and
• Has pain or other symptoms.

An emergency would make a person with an average knowl-
edge of health fear that someone will suffer serious harm to
body parts or functions or serious disfigurement without care
right away.

Examples of an emergency are:
• A heart attack or severe chest pain,
• Bleeding that won’t stop or a bad burn,
• Broken bones,
• Trouble breathing, convulsions, or loss of consciousness,
• When you feel you might hurt yourself or others,
• If you are pregnant and have signs like pain, bleeding,
fever, or vomiting.
• Drug overdose.

Examples of non-emergencies are: colds, sore throat, upset
stomach, minor cuts and bruises, or sprained muscles.

Non-emergencies may also be family issues, a break up, or
wanting to use alcohol or other drugs. These may feel like an
emergency, but they are not a reason to go to the emergency
room.

**If you have an emergency, here’s what to do:**
If you believe you have an emergency, call 911 or go to the
emergency room. You do not need approval from CDPHP or
your PCP before getting emergency care, and you are not
required to use our hospitals or doctors.

**If you’re not sure, call your PCP or CDPHP.**
Tell the person you speak with what is happening. Your PCP
or member services representative will:
Tell you what to do at home,  
Tell you to come to the PCP’s office, or  
Tell you to go to the nearest emergency room.

If you are out of the area when you have an emergency:  
• Go to the nearest emergency room.

Remember
You do not need prior approval for emergency services.  
Use the emergency room only if you have an emergency.  
The emergency room should NOT be used for problems like the flu, sore throats, or ear infections.

If you have questions, call your PCP or CDPHP at (518) 641-3800 or 1-800-388-2994.

URGENT CARE
You may have an injury or an illness that is not an emergency but still needs prompt care.
• This could be a child with an earache who wakes up in the middle of the night and won’t stop crying.  
• This could be the flu or if you need stitches.  
• It could be a sprained ankle, or a bad splinter you can’t remove.

You can get an appointment for an urgent care visit for the same or next day. Whether you are at home or away, call your PCP any time, day or night. If you cannot reach your PCP, call us at (518) 641-3800 or 1-800-388-2994. Tell the person who answers what is happening. They will tell you what to do.

NON-EMERGENCY CARE OUTSIDE THE SERVICE AREA
Non-emergency services delivered outside the CDPHP network are not covered unless they are previously authorized. If you are traveling and have a medical need that is urgent but not an emergency—such as a sore throat or infection—call the CDPHP resource coordination department at 1-800-274-2332. They will advise you and approve needed care. Routine preventive care—such as a checkup—is not covered out of the service area.

CARE OUTSIDE OF THE UNITED STATES
If you travel outside of the United States, you can get urgent and emergency care only in the District of Columbia, Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands and American Samoa. If you need medical care while in any other country (including Canada and Mexico), you will have to pay for it.

WE WANT TO KEEP YOU HEALTHY
Besides the regular checkups and the shots you and your family need, here are some other ways to keep you in good health:
• Classes for you and your family,  
• Stop-smoking classes,  
• Pre-natal care and nutrition,  
• Grief/loss support,  
• Breast feeding and baby care,  
• Stress management,  
• Weight control,  
• Cholesterol control,  
• Diabetes counseling and self-management training.  
• Asthma counseling and self-management training.  
• Sexually Transmitted Infection (STI) Testing & Protecting Yourself from STIs  
• Domestic Violence Services

Call Member Services at (518) 641-3800 or 1-800-388-2994 to find out more and get a list of upcoming classes.

PART II—YOUR BENEFITS AND PLAN PROCEDURES
The rest of this handbook is for your information when you need it. It lists the covered and the non-covered services. If you have a complaint, the handbook tells you what to do. The handbook has other information you may find useful. Keep this handbook handy for when you need it.

BENEFITS
Medicaid managed care provides a number of services you get in addition to those you get with regular Medicaid. CDPHP will provide or arrange for most services that you will need. You can get a few services, however, without going through your PCP. These include emergency care; family planning/HIV testing and counseling; and specific self referral services, including those you can get from within the plan and some that you can choose to go to any Medicaid provider of the service. Please call our Member Services department at (518) 641-3800 or 1-800-388-2994 if you have any questions or need help with any of the services below.

SERVICES COVERED BY CDPHP SELECT PLAN
You must get these services from the providers who are in CDPHP. All services must be medically or clinically necessary and provided or referred by your PCP (primary care provider).

Regular Medical Care
• Office visits with your PCP.  
• Referrals to specialists.  
• Eye/hearing exams.

Preventive Care
• Well-baby care.  
• Well-child care.  
• Regular check-ups.  
• Shots for children from birth through childhood.  
• Access to Early and Periodic Screening, Diagnosis and Testing (EPSDT) for enrollees from birth to age 21 years.  
• Smoking cessation counseling. Enrollees are eligible for eight sessions in a calendar year, two of which can be furnished by a dentist.  
• Access to free needles and syringes  
• Smoking cessation counseling  
• HIV education and risk reduction
Maternity Care
- Pregnancy care.
- Doctors/mid-wife and hospital services.
- Newborn nursery care.
- Screening for depression during pregnancy and up to a year after delivery.

Home Health Care
- Must be medically needed and arranged by CDPHP.
- One medically necessary post partum home health visit, additional visits covered as medically necessary for high-risk women.
- At least two visits to high-risk infants (newborns).
- Other home health care visits as needed and ordered by your PCP/specialist.

Personal Care/Home Attendant/Consumer Directed Personal Assistance Services (CDPAS)
- Must be medically needed and arranged by CDPHP.
- Personal Care/Home Attendant—Help with bathing, dressing and feeding and help with preparing meals and housekeeping.
- CDPAS—Help with bathing, dressing and feeding, help in preparing meals and housekeeping plus home health aide and nursing tasks. This is provided by an aide chosen and directed by you. If you want more information contact Member Services at 1-800-388-2994.

Personal Emergency Response System (PERS)
- This is an item you wear in case you have an emergency.
- To qualify and get this service you must be receiving personal care/home attendant or CDPAS services.

Adult Day Health Care Services
- Must be medically needed and arranged by CDPHP.
- Must be recommended by your Primary Care Provider (PCP)
- Provides health education, nutrition, nursing and social services, help with daily living, rehabilitative therapy, pharmacy services plus referrals for dental and other specialty care.

AIDS Adult Day Health Care Services
- Must be medically needed and arranged by CDPHP.
- Must be recommended by your Primary Care Provider (PCP)
- Provides general medical and nursing care, substance use supportive services, mental health supportive services, nutritional services plus socialization, recreational and wellness/health promotion activities.

Therapy for Tuberculosis
- This is help taking your medication for TB and follow up care.

Hospice Services
- Hospice helps patients and their families with their special needs that come during the final stages of illness and after death.
- Must be medically needed and arranged by CDPHP.

- Provides support services and some medical services to patients who are ill and expect to live for one year or less.
- You can get these services in your home or in a hospital or nursing home.

Children under age twenty-one (21) who are getting hospice services can also get medically needed curative services and palliative care.

If you have any questions about this benefit, you can call Member Services Department at 518-641-3800 or 1-800-388-2994.

Dental Care
CDPHP believes that providing you with good dental care is important to your overall health care. We offer dental care through a contract with Delta Dental, an expert in providing high quality dental services. Covered services include regular and routine dental services such as preventive dental check-ups, cleaning, x-rays, fillings and other services to check for any changes or abnormalities that may require treatment and/or follow-up care for you. You do not need a referral from your PCP to see a dentist!

How to Get Dental Services:
You can see any dentist in the Delta Dental network for your needed care. Delta Dental has a directory of dental providers available for you. The providers in that directory are listed alphabetically by city, provider number, and provider name. To find a Delta Dental provider in your area, find your city and look for your zip code. To find the most current listing of Delta Dental providers in your area, call 1-800-542-9782 (TTY/TDD 711), 8 a.m. to 8 p.m. EST, Monday through Friday. There is an Interactive Voice Response system available 24 hours per day, 7 days per week. Or visit: deltadentalins.com/cdphp-medicaid.
- You will receive a separate Delta Dental ID card that you can show to any Delta Dental provider for dental services.
- You can also go to a dental clinic that is run by an academic dental center without a referral.

Orthodontic Care
CDPHP will cover braces for children up to age 21 who have a severe problem with their teeth, such as not being able to chew food due to severely crooked teeth, cleft palate or cleft lip.

Vision Care
- Services of an ophthalmologist, ophthalmic dispenser and optometrist, and coverage for contact lenses, polycarbonate lenses, artificial eyes, and replacement of lost or destroyed glasses, including repairs, when medically necessary. Artificial eyes are covered as ordered by a plan provider.
- Eye exams, generally every two years, unless medically needed more often.
- Glasses (new pair of medicaid approved frames every two years, or more often if medically needed).
- Low vision exam and vision aids ordered by your doctor.
- Specialist referrals for eye diseases or defects.
Pharmacy

- Prescription drugs
- Over-the-counter medicines
- Insulin and diabetic supplies
- Smoking cessation agents, including OTC products
- Hearing aid batteries
- Enteral formula
- Emergency Contraception (6 per calendar year)
- Medical and surgical supplies

A pharmacy copayment may be required for some people, for some medications and pharmacy items. There are no copays for the following consumers/services:

- Consumers younger than 21 years old.
- Consumers who are pregnant. Pregnant women are exempt during pregnancy and for the two months after the month in which the pregnancy ends.
- Consumers in an OMH or OPWDD Home and Community Based Services (HCBS) Waiver Program.
- Consumers in a DOH HCBS Waiver Program for Persons with Traumatic Brain Injury (TBI).
- Family Planning drugs and supplies like birth control pills and male or female condoms.
- Drugs to treat mental illness (psychotropic) and tuberculosis.

*This copayment amount is reduced to $1 if the brand-name drug is on the CDPHP formulary and the New York State Medicaid Preferred Drug List.

There is a copayment for each new prescription and each refill. However, no copayment is required for drugs to treat mental illness (psychotropic) and tuberculosis.

If you are required to pay a copay, you are responsible for a maximum of $200 per calendar year. If you transferred plans during the calendar year, keep your receipts as proof of your copayments or you may request proof of paid copayments from your pharmacy. You will need to give a copy to your new plan.

Certain medications may require that your doctor get prior authorization from us before writing your prescription. Your doctor can work with CDPHP to make sure you get the medications that you need. Learn more about prior authorization later in this handbook.

CDPHP will pay for up to a 30 day supply of your prescription. CDPHP works with CVS Caremark to administer the pharmacy benefit. You have a choice in where you fill your prescriptions. You can go to any pharmacy that participates with our plan. The following pharmacies are not in the pharmacy network: Rite-Aid, Kinney Drugs, and Walgreens. The following pharmacies are in the network: CVS, Walmart, Target, Price Chopper, Hannaford, ShopRite and many independent pharmacies. For more information on your options, please contact Member Services at (518) 641-3800 or 1-800-388-2994.

Hospital Care

- Inpatient care.
- Outpatient care.
- Lab, X-ray, other tests.

Directly Observed Therapy for Tuberculosis Disease

- Provides observation and dispensing of medication, assessment of any adverse reactions to medications and case follow up.

Emergency Care

- Emergency care services are procedures, treatments or services needed to evaluate or stabilize an emergency.
- After you have received emergency care, you may need other care to make sure you remain in stable condition. Depending on the need, you may be treated in the Emergency Room, in an inpatient hospital room, or in another setting. This is called Post Stabilization Services.
- For more about emergency services, see page 8.

Specialty Care

Includes the services of other practitioners, including:

- Physical therapist—Limited to 40 visits per calendar year
- Occupational and speech therapists—Limited to 20 visits each per calendar year
- Audiologist
- Midwives
- Cardiac rehabilitation
- Podiatrists

Limits for physical, occupational and speech therapists do not apply if you are under age 21, you have been determined to be developmentally disabled by the Office for People with Developmental Disabilities, or if you have a traumatic brain injury. To learn more about these services, call Member Services at the number identified below.

Residential Health Care Facility Services (Nursing Home)

Covered nursing home services include:

- Medical supervision
- 24-hour nursing care
- Assistance with daily living
- Physical therapy
- Occupational therapy
- Speech-language pathology and other services

To get these nursing home services

- The services must be ordered by your physician, and
- The services must be authorized by CDPHP.

Rehabilitation:

CDPHP covers short term, or rehab stays, in a skilled nursing home facility.
Long Term Placement:
CDPHP covers long term placement in a nursing home facility for members 21 years of age and older. **Long term placement means you will live in a nursing home.**

When you are eligible for long term placement, you must select one of the nursing homes that are in CDPHP’s network. If you want to live in a nursing home that is not part of CDPHP’s network, you may transfer to another plan that works with the nursing home you have chosen to receive your care.

**Eligible Veterans, Spouses or Eligible Veterans, and Gold Star Parents of Eligible Veterans** may choose to stay in a Veterans’ Nursing Home.

CDPHP does not have a Veterans’ Home in its network. If you are an Eligible Veteran, a Spouse of an Eligible Veteran, or a Gold Star Parent of an Eligible Veteran and you want to live in a Veterans’ Home, we will help arrange your admission. You must transfer to another Medicaid Managed Care health plan that has a Veterans’ Home in its network.

**Determining Your Medicaid Eligibility for Long Term Nursing Home Services**
You must apply to your Local Department of Social Services (LDSS) to have Medicaid and/or CDPHP pay for long term nursing home services. The LDSS will review your income and assets to determine your eligibility for long term nursing home services. The LDSS will let you know about any costs you may have to contribute toward your long term nursing home care.

**Questions**
If you have any questions about these benefits, call our Member Services Department at (518) 641-3800 or 1-800-388-2994, TTY/TDD 711.

**Additional Resources**
If you have concerns about long term nursing home care, choosing a nursing home, or the effect on your finances, there are additional resources to help.

- **Independent Consumer Advocacy Network (ICAN)** provides free and confidential assistance. Call 1-844-614-8800 or visit www.icannys.org
- **New York State Office for the Aging**
  - Health Insurance Information, Counseling and Assistance (HIICAP) provides free counseling and advocacy on health insurance questions. Call 1-800-701-0501
  - NY CONNECTS is a link to long term service and supports. Call 1-800-342-9871 or visit www.nycnects.ny.gov
- **Nursing Home Bill of Rights (NHBOR)** describes your rights and responsibilities as a nursing home resident. To learn more about NHBOR, visit www.health.ny.gov/facilities/nursing/rights/

**Harm Reduction Services**
If you are in need of help related to substance use disorder, Harm Reduction Services can offer a complete patient-oriented approach to your health and well-being. CDPHP covers services that may help reduce substance use and other related harms. These services include:

- A plan of care developed by a person experienced in working with substance users.
- Individual supportive counseling that assists in achieving your goals.
- Group supportive counseling in a safe space to talk with others about issues that affect your health and well-being.
- Counseling to help you with taking your prescribed medication and continuing treatment.
- Support groups to help you better understand substance use and identify coping techniques and skills that will work for you.

To learn more about these services, call Member Services at (518) 641-3800 or 1-800-388-2994, TTY/TDD 711.

**BEHAVIORAL HEALTH CARE**
Behavioral health care includes mental health and substance use (alcohol and drugs) treatment and rehabilitation services. All of our members have access to services to help with emotional health, or to help with alcohol or other substance use issues. These services include:

**Mental Health Care**
- Intensive psychiatric rehab treatment
- Day treatment
- Clinic continuing day treatment
- Inpatient and outpatient mental health treatment
- Partial hospital care
- Rehab services if you are in a community home or in family-based treatment
- Continuing day treatment
- Personalized Recovery Oriented Services
- Assertive Community Treatment Services
- Individual and group counseling
- Crisis intervention services

**Substance Use Disorder Services**
- Inpatient and outpatient substance use disorder (alcohol and drug) treatment
- Inpatient detoxification services
- Opioid, including Methadone Maintenance treatment
- Residential Substance Use Disorder Treatment
- Outpatient alcohol and drug treatment services (Detox services)

**Children’s Family Treatment and Support Services**
You may already get similar services with your State Medicaid Card. Starting on the dates below, use your CDPHP benefit card to get the service.

**January 1, 2019**
On January 1, 2019, use your CDPHP benefit card to get Children and Family Treatment and Support Services. These services include:

- **Other Licensed Practitioner (OLP).** This benefit lets you get individual, group, or family therapy where you are most comfortable.
• **Psychosocial Rehabilitation (PSR).** This benefit helps you relearn skills to help you in your community. This service was called “Skill Building.”

• **Community Psychiatric Supports and Treatment (CPST).** This benefit helps you stay in your home and communicate better with family, friends, and others. This service was called “Intensive In Home Services,” “Crisis Avoidance Management & Training,” or “Intensive In Home Supports and Services.”

If you are under 21 years old and have federal Social Security Insurance disability status or have been determined Social Security Insurance-Related by New York State, use your State Medicaid Card for these Children's Family Treatment and Support Services.

### Other Covered Services

**Starting July 1, 2019,** members under age 21 will be able to get these services:

- Office of Alcoholism and Substance Abuse Services (OASAS) Outpatient—Clinic (hospital based)
- OASAS Outpatient—Rehabilitation Programs (hospital based)
- OASAS Opioid Treatment Program Services (hospital based)
- OASAS Chemical Dependence Inpatient Rehabilitative Services
- Injections for Behavioral Health Related Conditions
- Children and Family Treatment and Support Services (CFTSS), including:
  - Other Licensed Practitioner (OLP)
  - Psychosocial Rehabilitation (PSR)
  - Community Psychiatric Supports and Treatment (CPST)
  - Family Peer Support Services
- Office of Mental Health (OMH) Outpatient Services
- OMH designated Serious Emotional Disturbance (SED) Clinic Services
- Assertive Community Treatment (ACT)
- Continuing Day Treatment
- Personalized Recovery Oriented Services (PROS)
- Partial Hospitalization
- Psychiatric Services
- Psychological Services
- Comprehensive Psychiatric Emergency Program (CPEP) including Extended Observation Bed
- Inpatient Psychiatric Services

CDPHP will cover these services for all eligible children and youth under age 21, including those:

- With Supplemental Security Income (SSI);
- Who have federal Social Security Disability Insurance (SSDI) status; or
- Who have been determined certified disabled by a New York State Medical Disability Review.

### BENEFITS YOU CAN GET FROM CDPHP OR WITH YOUR MEDICAID CARD

For some services, you can choose where to get the care. You can get these services by using your CDPHP membership card. You can also go to providers who will take your Medicaid Benefit card. You do not need a referral from your PCP to get these services. Call us if you have questions at (518) 641-3800 or 1-800-388-2994.

### Family Planning

You can go to any doctor or clinic that takes Medicaid and offers family planning services. You can visit one of our family planning providers as well. Either way, you do not need a referral from your PCP.

You can get birth control drugs, birth control devices (IUDs and diaphragms) that are available with a prescription, plus emergency contraception, sterilization, pregnancy testing, prenatal care, and abortion services. You can also see a family planning provider for HIV and sexually transmitted infection (STI) testing and treatment and counseling related to your test results. Screenings for cancer and other related conditions are also included in family planning visits.

### HIV and STI Screening

You can get this service any time from your PCP or CDPHP doctors. When you get this service as part of a family planning visit, you can go to any doctor or clinic that takes Medicaid and offers family planning services. You do not need a referral when you get this service as part of a family planning visit.

Everyone should talk to their doctor about having an HIV test. To access free HIV testing or testing where your name isn’t given, call 1-800-541-AIDS (English) or 1-800-233-SIDA (Spanish).

### TB Diagnosis and Treatment

You can choose to go either to your PCP or to the county public health agency for diagnosis and/or treatment. You do not need a referral to go to the county public health agency.

### BENEFITS USING YOUR MEDICAID CARD ONLY

There are some services CDPHP does not provide. You can get these services from a provider who takes Medicaid by using your Medicaid Benefit card.

### Transportation

Non-Emergency: If you need bus, taxi, ambulette or public transportation to get to a medical appointment, you or your provider must contact your local Department of Social Services or Medical Answering Services (MAS). If possible, when calling MAS, you or your provider should call at least three days before your medical appointment, and provide your Medicaid identification number (ex. AB12345C), appointment date and time, address where you are going, and doctor you are seeing. Please contact the number for your county listed below:

CDPHP Select Plan (518) 641-3800 or 1-800-388-2994, TTY/TDD 711, Behavioral Health Crisis 1-888-320-9584
If you require an attendant to go with you to your doctor’s appointment or if your child is the member of the plan, transportation is also covered for the attendant or parent or guardian.

Emergency: If you have an emergency and need an ambulance, you must call 911.

If you have questions about transportation, please call Member Services at (518) 641-3800 or 1-800-388-2994.

Developmental Disabilities
- Long-term therapies.
- Day treatment.
- Housing services.
- Medicaid Service Coordination (MSC) program.
- Services received under the Home and Community Based Services Waiver.
- Medical Model (Care-at-Home) Waiver Services.

Other Medicaid Services
- Pre-school and school services programs (early intervention).
- Early start programs.

HEALTH HOME CARE MANAGEMENT
CDPHP wants to meet all of your health needs. If you have multiple health issues, you may benefit from Health Home Care Management to help coordinate all of your health services.

A Health Home Care Manager can:
- Work with your PCP and other providers to coordinate all of your health care;
- Work with the people you trust, like family members or friends, to help you plan and get your care;
- Help with appointments with your PCP and other providers; and
- Help manage ongoing medical issues like diabetes, asthma, and high blood pressure.

To learn more about Health Homes, contact Member Services at (518) 641-3800 or 1-800-388-2994.

SERVICES NOT COVERED
These services are not available from CDPHP or Medicaid. If you get any of these services, you may have to pay the bill.
- Cosmetic surgery if not medically needed.
- Services of a podiatrist (for those 21 years and older unless you are a diabetic).
- Personal and comfort items.
- Infertility treatments.
- Services from a provider that is not part of CDPHP, unless it is a provider you are allowed to see as described elsewhere in this handbook or CDPHP or your PCP sent you to that provider.
- Services for which you need a referral (approval) in advance and you did not get it.
- Chiropractic is not a covered service for adults under Medicaid managed care. However, chiropractic services are covered for children under the age of 21 as per Early Periodic Screening Diagnosis and Treatment (EPSDT) program requirements when such services are ordered by a physician.

You may have to pay for any service that your PCP does not approve. Or, if before you get a service, you agree to be a “private pay” or “self-pay” patient you will have to pay for the service. This includes:
- Non-covered services (listed above),
- Unauthorized services,
- Services provided by providers not part of the plan.

If you have any questions, call Member Services at (518) 641-3800 or 1-800-388-2994.

IF YOU GET A BILL
If you get a bill for a treatment or service you do not think you should pay for, do not ignore it. Call CDPHP at (518) 641-3800 or 1-800-388-2994 right away. CDPHP can help you understand why you may have gotten a bill. If you are not responsible for payment, CDPHP will contact the provider and help fix the problem for you.

You have the right to ask for a fair hearing if you think you are being asked to pay for something Medicaid or CDPHP should cover. See the Fair Hearing section later in this handbook.

If you have any questions, call Member Services at (518) 641-3800 or 1-800-388-2994.

SERVICE AUTHORIZATION
Prior Authorization:
There are some treatments and services that you need to get approval for before you receive them or in order to be able to continue receiving them. This is called prior authorization. You or someone you trust can ask for this. The following treatments and services must be approved before you get them:
- Experimental procedures,
- Certain medications,
- Out-of-network care for medically necessary services.

Asking for approval of a treatment or service is called a service authorization request.

To get a service authorization request for medical treatments or services, you need to have your PCP contact the CDPHP resource coordination department at (518) 641-4100 or 1-800-274-2332.
To get a service authorization request for mental health and substance use disorder treatment, have your PCP contact us, 24 hours a day, seven days per week, at 1-888-320-9584. TTY/TDD users, call 711.

Remember, please see the section titled, “How to Get Specialty Care And Referrals,” which explains the requirement for your PCP to refer you to see a specialist.

You will also need to get prior authorization if you are getting one of these services now, but need to continue or get more of the care. This is called concurrent review.

**What happens after we get your service authorization request:**

The health plan has a review team to be sure you get the services we promise. We check that the service you are asking for is covered under your health plan. Doctors and nurses are on the review team. Their job is to be sure the treatment or service you asked for is medically needed and right for you. They do this by checking your treatment plan against medically acceptable standards.

We may decide to deny a service authorization request or to approve it for an amount that is less than requested. These decisions will be made by a qualified health care professional. If we decide that the requested service is not medically necessary, the decision will be made by a clinical peer reviewer, who may be a doctor or may be a health care professional who typically provides the care you requested. You can request the specific medical standards, called clinical review criteria, we use to make decisions about medical necessity.

After we get your request we will review it under a standard or fast track process. You or your doctor can ask for a fast track review if it is believed that a delay will cause serious harm to your health. If your request for a fast track review is denied, we will tell you and your case will be handled under the standard review process.

We will fast track your review if:

- A delay will seriously risk your health, life, or ability to function;
- Your provider says the review must be faster:
- You are asking for more a service you are getting right now;
- In all cases, we will review your request as fast as your medical condition requires us to do so but no later than mentioned below.

We will tell you and your provider both by phone and in writing if your request is approved or denied. We will also tell you the reason for the decision. We will explain what options for appeals or fair hearings you will have if you don’t agree with our decision. *(See also the Plan Appeals and Fair Hearing Sections later in this handbook.)*

**Timeframes for prior authorization requests:**

- **Standard review:** We will make a decision about your request within three work days of when we have all the information we need, but you will hear from us no later than 14 days after we receive your request. We will tell you by the 14th day if we need more information.
- **Fast track review:** We will make a decision and you will hear from us within 72 hours. We will tell you within 72 hours if we need more information.

**Timeframes for concurrent review requests:**

- **Standard review:** We will make a decision within one work day of when we have all the information we need, but you will hear from us no later than 14 days after we received your request. We will tell you by the 14th day if we need more information.
- **Fast track review:** We will make a decision within one work day of when we have all the information we need. You will hear from us no later than 72 hours after we received your request. We will tell you within one workday if we need more information.

**Special timeframes for other requests:**

- If you are in the hospital or have just left the hospital and you are asking for home health care, we will make a decision within 72 hours of your request.
- If you are getting inpatient substance use disorder treatment, and you ask for more services at least 24 hours before you are to be discharged, we will make a decision within 24 hours of your request.
- If you are asking for mental health or substance use disorder services that may be related to a court appearance, we will make a decision within 72 hours of your request.
- If you are asking for an outpatient prescription drug we will make a decision within 24 hours of your request.
- A step therapy protocol means we require you to try another drug first, before we will approve the drug you are requesting. If you are asking for approval to override a step therapy protocol, we will make a decision within 24 hours for outpatient prescription drugs. For other drugs, we will make a decision within 14 days of your request.

If we need more information to make either a standard or fast track decision about your service request we will:

- Write and tell you what information is needed. If your request is in a fast track review, we will call you right away and send a written notice later.
- Tell you why the delay is in your best interest.
- Make a decision no later than 14 days from the day we were asked for more information.

You, your provider, or someone you trust may also ask us to take more time to make a decision. This may be because you have more information to give the plan to help decide your case. This can be done by calling 1-800-388-2994 or writing to CDPHP, 500 Patroon Creek Blvd., Albany, NY 12206-1057. You or your representative can file a complaint with the plan if you don’t agree with our decision to take more time to review your request. You or someone you trust can also file a complaint about the review time with the New York State Department of Health by calling 1-800-206-8125.

We will notify you by the date our time for review has expired. If your service request is denied, you have the right to file a Plan Appeal with us. See the Plan Appeal section later in this handbook.
Other Decisions About Your Care:
Sometimes we will do a concurrent review on the care you are receiving to see if you still need the care. We may also review other treatments and services you have already received. This is called retrospective review. We will tell you if we make these decisions.

Timeframes for other decisions about your care:
- In most cases, if we make a decision to reduce, suspend or stop a service we have already approved and you are now getting, we must tell you at least 10 days before we change the service.
- We must tell you at least 10 days before we make any decision about long term services and supports, such as home health care, personal care, CDPAS, adult day health care, and nursing home care.
- If we are checking care that has been given in the past, we will make a decision about paying for it within 30 days of receiving all information we need for the retrospective review. If we deny payment for a service, we will send a notice to you and your provider the day the payment is denied. These notices are not bills. You will not have to pay for any care you received that was covered by the plan or by Medicaid even if we later deny payment to the provider, unless you signed a paper with your CDPHP participating provider saying you would pay for the care if the plan did not.

HOW OUR PROVIDERS ARE PAID
You have the right to ask us whether we have any special financial arrangement with our physicians that might affect your use of health care services. You can call Member Services at (518) 641-3800 or 1-800-388-2994 if you have specific concerns. We also want you to know that most of our providers are paid in one or more of the following ways.
- If our PCPs work in a clinic or health center, they probably get a salary. The number of patients they see does not affect this.
- Our PCPs who work from their own offices may get a set fee each month for each patient for whom they are the patient’s PCP. The fee stays the same whether the patient needs one visit or many—or even none at all. This is called capitation.
- Sometimes providers get a set fee for each person on their patient list, but some money (maybe 10%) can be held back for an incentive fund. At the end of the year, this fund is used to reward PCPs who have met the standards for extra pay that were set by the Plan.
- Providers may also be paid by fee-for-service. This means they get a Plan-agreed-upon fee for each service they provide.

FILING A CLAIM
Even though you should not be billed for services covered through CDPHP, if you do receive covered services and pay for them out of your own pocket, you may file a claim with us to be reimbursed. Please send the itemized bill and a receipt to: CDPHP, 500 Patroon Creek Blvd., Albany, NY 12206-1057. Claims should be sent within 90 days of receiving care.

YOU CAN HELP WITH PLAN POLICIES
We value your ideas. You can help us develop policies that best serve our members. If you have ideas tell us about them. Maybe you’d like to work with one of our member advisory boards or committees. Call Member Services at (518) 641-3800 or 1-800-388-2994 to find out how you can help.

Technology Assessment
When new technologies are first introduced to the marketplace, CDPHP may not cover them until we have had the opportunity to ensure that they are medically necessary and have been proven safe and effective. We have a formal process in place to do this. First, we check to be sure they are approved by the FDA or another appropriate regulatory agency. We also need evidence that the service or product in question can improve health outcomes at least as well as existing technologies. This research is performed by members of a CDPHP medical technology assessment team and a CDPHP medical director. These professionals review up-to-date information from at least two sources (including medical literature, board-certified consultants, physician workgroups, professional societies, and government agencies). Drugs that are new to the medical community are reviewed by the CDPHP pharmacy and therapeutics committee.

INFORMATION FROM MEMBER SERVICES
Here is information you can get by calling Member Services at (518) 641-3800 or 1-800-388-2994.
- A list of names, addresses, and titles of CDPHP’s Board of Directors, Officers, Controlling Parties, Owners and Partners.
- A copy of the most recent financial statements/balance sheets, summaries of income and expenses.
- A copy of the most recent individual direct pay subscriber contract.
- Information from the Department of Financial Services about consumer complaints about CDPHP.
- How we keep your medical records and member information private.
- In writing, we will tell you how CDPHP checks on the quality of care to our members.
- We will tell you which hospitals our health providers work with.
- If you ask us in writing, we will tell you the guidelines we use to review conditions or diseases that are covered by CDPHP.
- If you ask us in writing, we will tell you the qualifications needed and how health care providers can apply to be part of CDPHP.
- If you ask, we will tell you: 1) whether our contracts or subcontracts include physician incentive plans that affect the use of referral services, and, if so, 2) information on the type of incentive arrangements used; and 3) whether stop loss protection is provided for physicians and physicians groups.
- Information about how our company is organized and how it works.
KEEP US INFORMED
Call Member Services at (518) 641-3800 or 1-800-388-2994 whenever these changes happen in your life:

- You change your name, address or telephone number.
- You have a change in Medicaid eligibility.
- You are pregnant.
- You give birth.
- There is a change in insurance for you or your children.

We can either update these changes for you or tell you who to contact for these changes.

If you no longer get Medicaid, check with your local Department of Social Services. You may be able to enroll in another program.

DISENROLLMENT AND TRANSFERS
If you want to leave the plan
You can try us out for 90 days. You may leave CDPHP and join another health plan at any time during that time. If you do not leave in the first 90 days, however, you must stay in CDPHP for nine more months, unless you have a good reason (good cause).

Some examples of good cause include:
- Our health plan does not meet New York State requirements and members are harmed because of it.
- You move out of our service area.
- You, the plan, and the LDSS all agree that disenrollment is best for you.
- You are or become exempt or excluded from managed care.
- We do not offer a Medicaid managed care service that you can get from another health plan in your area.
- You need a service that is related to a benefit we have chosen not to cover and getting the service separately would put your health at risk.
- We have not been able to provide services to you as we are required to under our contract with the State.

To change plans:
- Call the Managed Care staff at your local Social Services Department.
- Children entering or being discharged from foster care may change plans at any time even if it is after the first 90 days of enrollment.

You may be able to transfer to another plan over the phone. If you have to be in managed care, you will have to choose another health plan.

It may take between two and six weeks to process, depending on when your request is received. You will get a notice that the change will take place by a certain date. CDPHP will provide the care you need until then.

You can ask for faster action if you believe the timing of the regular process will cause added damage to your health. You can also ask for faster action if you have complained because you did not agree to the enrollment. Just call your local Social Services Department or New York Medicaid Choice.

You Could Become Ineligible for Medicaid Managed Care
- You or your child may have to leave CDPHP if you or the child:
  - Moves out of the County or service area,
  - Changes to another managed care plan,
  - Joins an HMO or other insurance plan through work,
  - Goes to prison, or
  - Otherwise loses eligibility.
- Your child may have to leave CDPHP or change plans if he or she:
  - Joins a Physically Handicapped Children's Program, or
  - Is placed in foster care by an agency that has a contract to provide that service for the local Department of Social Services.
  - Is placed in foster care by the local Department of Social Services in an area that is not served by your child’s current plan.

If you have to leave CDPHP or become ineligible for Medicaid, all of your services may stop unexpectedly, including any care you receive at home. Call New York Medicaid Choice at 1-800-505-5678 right away if this happens.

We Can Ask You to Leave CDPHP
You can also lose your CDPHP membership, if you often:
- Refuse to work with your PCP in regard to your care,
- Don’t keep appointments,
- Go to the emergency room for non-emergency care,
- Don’t follow CDPHP’s rules,
- Do not fill out forms honestly or do not give true information (commit fraud),
- Cause abuse or harm to plan members, providers or staff, or
- Act in ways that make it hard for us to do our best for you and other members even after we have tried to fix the problems.

PLAN APPEALS
There are some treatments and services that you need to get approval for before you receive them or in order to be able to continue receiving them. This is called prior authorization. Asking for approval of a treatment or service is called a service authorization request. This process is described earlier in this handbook. The notice of our decision to deny a service authorization request or to approve it for an amount that is less than requested is called an Initial Adverse Determination.
If you are not satisfied with our decision about your care, there are steps you can take.

**Your provider can ask for reconsideration:**

If we made a decision that your service authorization request was not medically necessary or was experimental or investigational; and we did not talk to your doctor about it, your doctor may ask to speak with the plan's Medical Director. The Medical Director will talk to your doctor within one workday.

**You can file a Plan appeal:**

If you think our decision about your service authorization request is wrong, you can ask us to look at your case again. This is called a Plan Appeal.

- You have **60 calendar days** from the date of the Initial Adverse Determination notice to ask for a Plan Appeal.
- You can call Member Services at (518) 641-3800 or 1-800-388-2994 if you need help asking for a Plan Appeal, or following the steps of the appeal process. We can help if you have any special needs like a hearing or vision impairment, or if you need translation services.
- You can ask for a Plan Appeal, or you can have someone else, like a family member, friend, doctor or lawyer, ask for you. You and that person will need to sign and date a statement saying you want that person to represent you.
- We will not treat you any differently or act badly toward you because you ask for a Plan Appeal.

---

**Aid to Continue while appealing a decision about your care:**

If we decided to reduce, suspend or stop services you are getting now, you may be able to continue the services while you wait for your Plan Appeal to be decided. **You must ask for your Plan Appeal:**

- **Within ten days from being told that your care is changing; or**
- **By the date the change in services is scheduled to occur, whichever is later.**

If your Plan Appeal results in another denial you may have to pay for the cost of any continued benefits that you received.

---

You can call, write, or visit us to ask for a Plan Appeal. When you ask for a Plan Appeal, or soon after, you will need to give us:

- Your name and address
- Enrollee number
- Service you asked for and reason(s) for appealing
- Any information that you want us to review, such as medical records, doctors’ letters or other information that explains why you need the service.
- Any specific information we said we needed in the Initial Adverse Determination notice.

To help you prepare for your Plan Appeal, you can ask to see the guidelines, medical records and other documents we used to make the Initial Adverse Determination. If your Plan Appeal is fast tracked, there may be a short time to give us information you want us to review. You can ask to see these documents or ask for a free copy by calling (518) 641-3800 or 1-800-388-2994.

Give us your information and materials by phone, fax, mail, CDPHP Secure Member Portal or in person:

**Phone**  (518) 641-3800 or 1-800-388-2994
**Fax**  (518) 641-3507
**Mail**  CDPHP Appeals Department
500 Patroon Creek Blvd.
Albany, NY 12206-1057
**Online**  www.cdphp.com/members
(Sign in to the secure portal)
**In Person**  500 Patroon Creek Blvd.
Albany, NY 12206-1057

If you ask for a Plan Appeal by phone, unless it is fast tracked, you must also send your Plan Appeal to us in writing. After your call, we will send you a form which is a summary of your phone Plan Appeal. If you agree with our summary, you should sign and return the form to us. You can make any necessary changes before sending the form back to us.

If you are asking for out of network service or provider:

- If we said that the service you asked for is more helpful to you and will not cause you more harm than the service the plan can provide from a participating provider.
- You must ask your doctor to send this information with your Plan Appeal:
  1) a statement in writing from your doctor that the out of network service is very different from the service the plan can provide from a participating provider. Your doctor must be a board certified or board eligible specialist who treats people who need the service you are asking for.
  2) two medical or scientific documents that prove the service you are asking for is more helpful to you and will not cause you more harm than the service the plan can provide from a participating provider.

If your doctor does not send this information, we will still review your Plan Appeal. However, you may not be eligible for an External Appeal. See the External Appeal section later in this handbook.

If you think our participating provider does not have the correct training or experience to provide a service, you can ask us to check if it is medically necessary for you to be referred to an out of network provider. You will need to ask your doctor to send this information with your appeal:

1) a statement in writing that says our participating provider does not have the correct training and experience to meet your needs, and

2) that recommends an out of network provider with the correct training and experience who is able to provide the service.

Your doctor must be a board certified or board eligible specialist who treats people who need the service you are asking for. If your doctor does not send this information, we will still review your Plan Appeal. However, you may not be eligible for an External Appeal. See the External Appeal section later in this handbook.
What happens after we get your Plan Appeal:

- Within 15 days, we will send you a letter to let you know we are working on your Plan Appeal.
- We will send you a free copy of the medical records and any other information we will use to make the appeal decision. If your Plan Appeal is fast tracked, there may be a short time to review this information.
- You can also provide information to be used in making the decision in person or in writing. Call CDPHP at (518) 641-3800 or 1-800-388-2994 if you are not sure what information to give us.
- Plan Appeals of clinical matters will be decided by qualified health care professionals who did not make the first decision, at least one of whom will be a clinical peer reviewer.
- Non-clinical decisions will be handled by persons who work at a higher level than the people who worked on your first decision.
- You will be given the reasons for our decision and our clinical rationale, if it applies. The notice of the Plan Appeal decision to deny your request or to approve it for an amount that is less than requested is called a Final Adverse Determination.
- If you think our Final Adverse Determination is wrong:
  - You can ask for a Fair Hearing. See the Fair Hearing section of this handbook.
  - For some decisions, you may be able to ask for an External Appeal. See the External Appeal section of this handbook.
  - You may file a complaint with the New York State Department of Health at 1-800-206-8125.

Timeframes for Plan Appeals:

- **Standard Plan Appeals:** If we have all the information we need we will tell you our decision within 30 calendar days from when you asked for your Plan Appeal.
- **Fast track Plan Appeals:** If we have all the information we need, fast track Plan Appeal decisions will be made in two working days from your Plan Appeal but not more than 72 hours from when you asked for your Plan Appeal.
  - We will tell you within in 72 hours if we need more information.
  - If your request was denied when you asked for more inpatient substance use disorder treatment at least 24 hours before you were to leave the hospital, we will make a decision about your appeal within 24 hours.
  - We will tell you our decision by phone and send a written notice later.

Your Plan Appeal will be reviewed under the fast track process if:

- If your request was denied when you asked for more inpatient substance use disorder treatment at least 24 hours before you were to leave the hospital.
- If your request was denied when you asked for home health care after you were in the hospital; or
- If your request was denied when you asked for more information.

If we need more information to make either a standard or fast track decision about your Plan Appeal we will:

- Write you and tell you what information is needed. If your request is in a fast track review, we will call you right away and send a written notice later.
- Tell you why the delay is in your best interest;
- Make a decision no later than 14 days from the day we asked for more information.

You or your representative may also ask us to take more time to make a decision. This may be because you have more information to give the plan to help decide your case. This can be done by calling (518) 641-3800 or 1-800-388-2994 or writing.

You or your representative can file a complaint with the plan if you don't agree with our decision to take more time to review your Plan Appeal. You or someone you trust can also file a complaint about the review time with the New York State Department of Health by calling 1-800-206-8125.

If you do not receive a response to your Plan Appeal or we do not decide in time, including extensions, you can ask for a Fair Hearing. See the Fair Hearing section of this handbook.

If we do not decide your Plan Appeal on time, and we said the service you are asking for is:

- **not medically necessary;**
- **experimental or investigational;**
- **not different from care you can get in the plan’s network; or**
- **available from a participating provider who has correct training and experience to meet your needs.**

The original denial will be reversed. This means your service authorization request will be approved.

---

**Aid to Continue while appealing a decision about your care:**

If we decided to reduce, suspend or stop services you are getting now, you may be able to continue the services while you wait for your Plan Appeal to be decided. **You must ask for your Plan Appeal:**

- Within ten days from being told that your care is changing; or
- By the date the change in services is scheduled to occur, whichever is later.

If your Plan Appeal results in another denial you may have to pay for the cost of any continued benefits that you received.

---

**External Appeals**

You have other appeal rights if we said the service you are asking for was:

- **not medically necessary;**
- **experimental or investigational;**
- **not different from care you can get in the plan’s network; or**
4) available from a participating provider who has correct training and experience to meet your needs.

For these types of decisions, you can ask New York State for an independent External Appeal. This is called an External Appeal because it is decided by reviewers who do not work for the health plan or the state. These reviewers are qualified people approved by New York State. The service must be in the plan’s benefit package or be an experimental treatment, clinical trial, or treatment for a rare disease. You do not have to pay for an External Appeal.

Before you ask for an External Appeal:
• You must file a Plan Appeal and get the plan’s Final Adverse Determination; or
• If you have not gotten the service, and you ask for a fast track Plan Appeal, you may ask for an expedited External Appeal at the same time. Your doctor will have to say an expedited External Appeal is necessary; or
• You and the plan may agree to skip the plan’s appeals process and go directly to External Appeal; or
• You can prove the plan did not follow the rules correctly when processing your Plan Appeal.

You have four months after you receive the plan’s Final Adverse Determination to ask for an External Appeal. If you and the plan agreed to skip the plan’s appeals process, then you must ask for the External Appeal within four months of when you made that agreement.

To ask for an External Appeal, fill out an application and send it to the Department of Financial Services. You can call Member Services at (518) 641-3800 or 1-800-388-2994 if you need help filing an appeal. You and your doctors will have to give information about your medical problem. The External Appeal application says what information will be needed.

Here are some ways to get an application:
• Call the Department of Financial Services, 1-800-400-8882
• Go to the Department of Financial Services’ website at www.dfs.ny.gov.
• Contact the health plan at (518) 641-3800 or 1-800-388-2994

Your External Appeal will be decided in 30 days. More time (up to five work days) may be needed if the External Appeal reviewer asks for more information. You and the plan will be told the final decision within two days after the decision is made.

You can get a faster decision if:
• Your doctor says that a delay will cause serious harm to your health; or
• You are in the hospital after an emergency room visit and the hospital care is denied by the plan.

This is called an expedited External Appeal. The External Appeal reviewer will decide an expedited appeal in 72 hours or less.

If you asked for inpatient substance use disorder treatment at least 24 hours before you were to leave the hospital, we will continue to pay for your stay if:
• You ask for a fast track Plan Appeal within 24 hours, AND
• You ask for a fast track External Appeal at the same time.

We will continue to pay for your stay until there is a decision made on your appeals. We will make a decision about your fast track Plan Appeal in 24 hours. The fast track External Appeal will be decided in 72 hours.

The External Appeal reviewer will tell you and the plan the decision right away by phone or fax. Later, a letter will be sent that tells you the decision.

If you ask for a Plan Appeal, and you receive a Final Adverse Determination that denies, reduces, suspends or stops your service, you can ask for a Fair Hearing. You may ask for a Fair Hearing or ask for an External Appeal, or both. If you ask for both a Fair Hearing and an External Appeal, the decision of the fair hearing officer will be the one that counts.

Fair Hearings
You may ask for a Fair Hearing from New York State if:
• You are not happy with a decision your local Department of Social Services or the State Department of Health made about your staying or leaving CDPHP.
• You are not happy with a decision we made to restrict your services. You feel the decision limits your Medicaid benefits. You have 60 calendar days from the date of the Notice of Intent to Restrict to ask for a Fair Hearing. If you ask for a Fair Hearing within 10 days of the Notice of Intent to Restrict, or by the effective date of the restriction, whichever is later, you can continue to get your services until the Fair Hearing decision. However, if you lose your Fair Hearing, you may have to pay the cost for the services you received while waiting for the decision.
• You are not happy with a decision that your doctor would not order services you wanted. You feel the doctor’s decision stops or limits your Medicaid benefits. You must file a complaint with CDPHP. If CDPHP agrees with your doctor, you may ask for a Plan Appeal. If you receive a Final Adverse Determination, you will have 120 calendar days from the date of the Final Adverse Determination to ask for a state Fair Hearing.
• You are not happy with a decision that we made about your care. You feel the decision limits your Medicaid benefits. You are not happy we decided to:
  ○ Reduce, suspend or stop care you were getting; or
  ○ Deny care you wanted;
  ○ Deny payment for care you received; or
  ○ Did not let you dispute a co-pay amount, other amount you owe or payment you made for your health care.

You must first ask for a Plan Appeal and receive a Final Adverse Determination. You will have 120 calendar days from the date of the Final Adverse Determination to ask for a Fair Hearing.

If you asked for a Plan Appeal, and receive a Final Adverse Determination that reduces, suspends, or stops care you are getting now, you can continue to get the services your doctor ordered while you wait for your Fair Hearing to be decided. You must ask for a fair hearing within 10 days from the date of the Final Adverse Determination or by the time the action takes effect, whichever is later. However, if you choose to ask for services to be continued, and you
If your complaint involves a billing problem, you may call the New York State Department of Financial Services at (1-800-342-3736) with your complaint at any time. You may call the New York Department of Social Services at 1-800-206-8125 or write to: Office of Disability Assistance, Office of Administrative Hearings, Managed Care Hearing Unit, P.O. Box 22023, Albany, New York 12201-2023.

When you ask for a Fair Hearing about a decision CDPHP made, we must send you a copy of the evidence packet. This is information we used to make our decision about your care. The plan will give this information to the hearing officer to explain our action. If there is not time enough to mail it to you, we will bring a copy of the evidence packet to the hearing for you. If you do not get your evidence packet by the week before your hearing, you can call (518) 641-3800 or 1-800-388-2994 to ask for it.

Remember, you may complain anytime to the New York State Department of Health by calling 1-800-206-8125.

**COMPLAINT PROCESS**

**Complaints:**

We hope our health plan serves you well. If you have a problem, talk with your PCP, or call or write Member Services. Most problems can be solved right away. If you have a problem or dispute with your care or services you can file a complaint with the plan. Problems that are not solved right away over the phone and any complaint that comes in the mail will be handled according to our complaint procedure described below.

You can call Member Services at (518) 641-3800 or 1-800-388-2994 if you need help filing a complaint, or following the steps of the complaint process. We can help if you have any special needs like a hearing or vision impairment, or if you need translation services. We will not make things hard for you or take any action against you for filing a complaint.

You also have the right to contact the New York State Department of Health about your complaint at 1-800-206-8125 or write to: Complaint Unit, Bureau of Consumer Services, OHIP DHPCO 1CP-1609, New York State Department of Health, Albany, New York 12237.

You may also contact your local Department of Social Services with your complaint at any time. You may call the New York State Department of Financial Services at (1-800-342-3736) if your complaint involves a billing problem.

**How to File a Complaint with the Plan:**

You can file a complaint, or you can have someone else, like a family member, friend, doctor or lawyer, file the complaint for you. You and that person will need to sign and date a statement saying you want that person to represent you.

To file a complaint about medical services or mental health or substance use disorder services by phone, call Member Services at (518) 641-3800 or 1-800-388-2994, Monday through Friday, 8 a.m. to 6 p.m. If you call us after hours, leave a message. We will call you back the next work day. If we need more information to make a decision, we will tell you.

You can write us with your complaint or call the Member Services number and request a complaint form. It should be mailed to CDPHP, Attn: Member Services Department, 500 Patroon Creek Blvd., Albany, NY 12206-1057.

**What happens next:**

If we don’t solve the problem right away over the phone or after we get your written complaint, we will send you a letter within 15 work days. The letter will tell you:

- Who is working on your complaint.
- How to contact this person.
- If we need more information.

You can also provide information to be used reviewing your complaint in person or in writing. Call CDPHP at (518) 641-3800 or 1-800-388-2994 if you are not sure what information to give us.

Your complaint will be reviewed by one or more qualified people. If your complaint involves clinical matters your case will be reviewed by one or more qualified health care professionals.

**After we review your complaint:**

- We will let you know our decision in 45 days of when we have all the information we need to answer your complaint, but you will hear from us in no more than 60 days from the day we get your complaint. We will write you and will tell you the reasons for our decision.
- When a delay would risk your health, we will let you know our decision in 48 hours of when we have all the information we need to answer your complaint but you will hear from us in no more than seven days from the day we get your complaint. We will call you with our decision or try to reach you to tell you. You will get a letter to follow up our communication in three work days.
- You will be told how to appeal our decision if you are not satisfied and we will include any forms you may need.
- If we are unable to make a decision about your Complaint because we don’t have enough information, we will send a letter and let you know.

**Complaint Appeals:**

If you disagree with a decision we made about your complaint, you can file a complaint appeal with the plan.
How to make a complaint appeal:
- If you are not satisfied with what we decide, you have at least 60 work days after hearing from us to file a complaint appeal;
- You can do this yourself or ask someone you trust to file the complaint appeal for you;
- The complaint appeal must be made in writing. If you make a complaint appeal by phone it must be followed up in writing. After your call, we will send you a form, which is a summary of your phone appeal. If you agree with our summary, you must sign and return the form to us. You can make any needed changes before sending the form back to us.

What happens after we get your complaint appeal:
After we get your complaint appeal we will send you a letter within 15 work days. The letter will tell you:
- Who is working on your complaint appeal;
- How to contact this person;
- If we need more information.

Your complaint appeal will be reviewed by one or more qualified people at a higher level than those who made the first decision about your complaint. If your complaint appeal involves clinical matters your case will be reviewed by one or more qualified health professionals, with at least one clinical peer reviewer, that were not involved in making the first decision about your complaint.

If we have all the information we need you will know our decision in 30 work days. If a delay would risk your health you will get our decision in two work days of when we have all the information we need to decide the appeal. You will be given the reasons for our decision and our clinical rationale, if it applies. If you are still not satisfied, you or someone on your behalf can file a complaint at any time with the New York State Department of Health at 1-800-206-8125.

MEMBER RIGHTS AND RESPONSIBILITIES
Your Rights
As a member of CDPHP Select Plan, you have a right to:
- Be cared for with respect, without regard for health status, sex, race, color, religion, national origin, age, marital status or sexual orientation.
- Be told where, when and how to get the services you need from CDPHP.
- Be told by your PCP what is wrong, what can be done for you, and what will likely be the result in language you understand.
- Get a second opinion about your care.
- Give your OK to any treatment or plan for your care after that plan has been fully explained to you.
- Refuse care and be told what you may risk if you do.
- Get a copy of your medical record, and talk about it with your PCP, and to ask, if needed, that your medical record be amended or corrected.
- Be sure that your medical record is private and will not be shared with anyone except as required by law, contract, or with your approval.
- Use the CDPHP complaint system to settle any complaints, or you can complain to the NY State Department of Health or the local Department of Social Services any time you feel you were not fairly treated.
- Use the State Fair Hearing system.
- Appoint someone (relative, friend, lawyer, etc.) to speak for you if you are unable to speak for yourself about your care and treatment.
- Receive considerate and respectful care in a clean and safe environment free of unnecessary restraints.
- Receive information about CDPHP and managed care in a manner that does not disclose you are enrolled in Medicaid managed care.

Your Responsibilities
As a member of CDPHP Select Plan, you agree to:
- Work with your PCP to guard and improve your health.
- Find out how your health care system works.
- Listen to your PCP’s advice and ask questions when you are in doubt.
- Call or go back to your PCP if you do not get better, or ask for a second opinion.
- Treat health care staff with the respect you expect yourself.
- Tell us if you have problems with any health care staff. Call Member Services.

ADVANCE DIRECTIVES
There may come a time when you can’t decide about your own health care. By planning in advance, you can arrange now for your wishes to be carried out. First, let family, friends and your doctor know what kinds of treatment you do or don’t want. Second, you can appoint an adult you trust to make decisions for you. Be sure to talk with your PCP, your family or others close to you so they will know what you want. Third, it is best if you put your thoughts in writing. The documents listed below can help. You do not have to use a lawyer, but you may wish to speak with one about this. You can change your mind and these documents at any time. We can help you understand or get these documents. They do not change your right to quality health care benefits. The only purpose is to let others know what you want if you can’t speak for yourself.
Health Care Proxy—With this document, you name another adult that you trust (usually a friend or family member) to decide about medical care for you if you are not able to do so. If you do this, you should talk with the person so they know what you want.

PR and DNR—You have the right to decide if you want any special or emergency treatment to restart your heart or lungs if your breathing or circulation stops. If you do not want special treatment, including cardiopulmonary resuscitation (CPR), you should make your wishes known in writing. Your PCP will provide a DNR (Do Not Resuscitate) order for your medical records. You can also get a DNR form to carry with you and/or a bracelet to wear that will let any emergency medical provider know about your wishes.

Organ Donor Card—This wallet sized card says that you are willing to donate parts of your body to help others when you die. Also, check the back of your driver's license to let others know if and how you want to donate your organs.
