

Better Care, Lower Costs

\$0 Copay Enhanced Primary Care Plan

For more than a decade, CDPHP® has partnered with a team of primary care doctors who've proven that they can provide better, more comprehensive care. Through CDPHP Enhanced Primary Care, these doctors have been able to increase the quality of the care they provide, all while lowering costs.

We believe so strongly in this program that we've launched the **\$0 Copay Enhanced Primary Care Plan**. You will receive higher-quality care with no cost-share if you visit an Enhanced Primary Care practice.

EXAMPLE:

Non-Enhanced Primary Care practice: Your copay is \$40
Enhanced Primary Care practice: **Your copay is \$0**

You will also benefit from:
